

LANGDON PRIMARY SCHOOL

PE and Sports Premium and expenditure

Vision for the Primary PE and Sports Premium:

'**ALL** pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.'

The funding has been provided to ensure impact against the following objective:

'To achieve **self sustaining improvement** in the quality of PE and sport in primary schools. It is important to emphasize that the focus of spending must lead to long lasting impact against the vision that will live on well beyond the Primary PE and Sports Premium funding.

It is expected that schools will see an improvement against the following five key indicators:

- 1 The engagement of **all** pupils in regular physical activity – kick starting healthy active lifestyles
- 2 The profile of PE and sport is raised across the school as a tool for whole school improvement
- 3 Increased confidence, knowledge and skills of all staff in teaching PE and sport
- 4 Broader experience of a range of sports and activities offered to all pupils
- 5 Increased participation in competitive sport

From September 2013 the Government has allocated funding directly to primary schools to support the provision of Sport and Physical Education. Half of the money we receive has been funded by the Department of Health and therefore is also be used to improve opportunities for all children to adopt healthy lifestyles. The school also commits funding from its main budget to support both in-school and extra-curricular provision, including opportunities in sport and PE, in order to benefit the well being and health of our pupils.

2015-2016

During 2015-2016 Langdon Primary School received approximately £8340.

We used our funding for the following:

- Employment of a Sports Coach for 2x days per week to work with staff to plan and deliver high quality PE lessons
- Opportunities for Sports Coach to attend training delivered by outside providers eg. Tennis, Dance
- Opportunities for staff to engage in 'in-house' training with the Sports Coach
- Provision of a broad range of lunchtime sporting activities one day per week for all children
- Provision of 2x after school sporting activities for all pupils eg. dodgeball, multi-skills
- Participation in intra and inter-school competitions led and organised by the Sports Coach in collaboration with Langdon staff and staff from our local collaboration of schools eg. Year 3/4 Cross Country running, Year 1/2 Multi-skills tournament, transition to secondary school sporting events for Year 6 pupils
- Purchase of equipment to support the broader provision specifically volleyball equipment, dodgeball balls, replacement football equipment
- Purchase of equipment to support active play at break and lunchtimes
- Costs incurred for using the Parish Hall to allow for all year round indoor sport and PE opportunities
- Costs incurred for use of coaches and equipment at Dover Gym Club
- Transport to sporting lessons, fixtures and events, including swimming for pupils in Years 2 – 6 and gymnastics for pupils in Years 3 – 6
- Provision of sporting outings for individual classes eg. biking at Fowlmead Leisure Park for Y6, Bikeability for Y5/6

- Support towards the costs for children to attend residential activity visits ie. Swattenden Outdoor Education Centre, Arethusa Outdoor Education Centre

This year we have provided opportunities for pupils to engage in sporting events, competitions and tournaments in the following disciplines:

- Football, cross country running, swimming, hockey, tag rugby, tennis, multi-skills, Kwik-Cricket

Even before the introduction of the Sports and PE Premium the staff at Langdon were committed to providing high quality sport and PE provision. In addition to the above we continue to ensure that:

Our children receive at least two hours of active time per week (includes PE lessons, sports activities, playtimes, clubs)

All pupils, Year R-6 have the opportunity to participate in extra-curricular sports clubs at lunchtimes or after school

All pupils will have the opportunity to take part in sporting fixtures, events and tournaments, both intra-school, inter-school and district

Our pupils and staff work closely with our collaboration colleagues to plan and provide sporting opportunities

All children learn to swim at least 25m unaided before leaving our school

We work closely with local providers to access a broad range of sporting activities including Dover Gym Club, Walmer Tennis Club, Your Leisure, Bikeability

We celebrate in school and out of school sporting participation and success in our weekly Achievement Assembly

We hold an annual sports day in partnership with Martin Cricket Club

We train Year 6 pupils to be Sports Leaders with responsibility for organising and maintaining equipment, purchasing equipment from their dedicated annual budget and leading sporting and active activities for pupils

Involvement in School Sports Partnership activities

2016-2017

During 2016-2017 Langdon Primary School received £8340.

We used our funding for the following:

- Employment of a Sports Coach for 2x half days per week to work with staff to plan and deliver high quality PE lessons
- Opportunities for staff to engage in 'in-house' training with the Sports Coach
- Participation in intra and inter-school competitions led and organised by the teaching staff and/or Collaboration Sports Coach eg. Year 3/4 Cross Country running, Year 1/2 Multi-skills tournament, Y3/4 and 5/6 Dodgeball tournament, Y5/6 Handball Tournament
- Purchase of equipment to support the broader provision specifically football equipment, multiskills equipment
- Purchase of equipment to support active play at break and lunchtimes
- Costs incurred for using the Parish Hall to allow for all year round indoor sport and PE opportunities
- Costs incurred for use of coaches and equipment at Dover Gym Club
- Transport to sporting lessons, fixtures and events, including Collaboration events, swimming for pupils in Years 2 – 6 and gymnastics for pupils in Years R – 6
- Provision of sporting outings for individual classes eg. Bikeability for Y5/6
- Support towards the costs for children to attend residential activity visits ie. Rippledawn Education Centre, Manor Adventure Centre
- Provision of additional swimming lessons for pupils who are vulnerable to not meeting the requirement to competently, confidently and proficiently swim 25m unaided.

What has been the impact of the Sports Premium 2016-2017?

Staff are well trained to teach PE and sport skills, feel confident doing so and lessons are judged to be good. PE and Sport lessons delivered by the Sports Coach are judged to be improved following change of provider this academic year, and at least good, following moderation by teaching staff, Head Teacher and Governing Body. Ofsted (July 2017) confirmed that, 'Teachers try to make sure that activities are engaging and build on pupils' interests. . . . The teaching of music and physical education is also strong.'

Higher staff-student ratios ensure that where needed more support or challenge is provided to those who still need to develop basic sporting and games skills or to those who need more challenge in order to improve and fine tune higher level sporting and games skills to promote mastery. Ofsted noted, 'Pupils achieve well in other subjects such as music and physical education.'

Pupil engagement in PE and sports lessons is high, feedback through pupil questionnaires shows that pupils enjoy sport generally, specific PE and sport lessons and extra curricular activities. Ofsted confirmed this judgement noting, 'Pupils also enjoy a range of clubs, including those for sporting and artistic activities.' and 'Pupils show kindness, care and respect for others and they are keen to take on responsibilities such as being a sports leader.'

All pupils from Y1-6 have had opportunities to participate in competitive, events and tournaments activities outside of the school context. Ofsted confirmation of this was noted in, 'School leaders are outward looking. They seek out, and act on, advice from . . . colleagues from other schools in the collaboration. The joint working with these three other schools gives staff the opportunity to share ideas and learn from each other. There are also opportunities for all pupils to take part in various sporting activities along with the pupils from the other more culturally diverse schools. As well as making good use of the sports premium and increasing their participation in different sports, these activities also widen their knowledge and understanding of cultural diversity in modern Britain.'

92% of pupils leaving school at the end of KS2 can swim at least 5m unaided; 83% can swimming 25m confidently and proficiently using a range of strokes and could perform self rescue in water.

Participation in out of school hours sporting clubs, is high for all pupils from Y1-6 and sporting clubs are by far the most popular and oversubscribed clubs run by the school.

Because staff celebrate achievements in in-school and out of school sport through assemblies and signpost parents to quality provision outside of school, participation in out of school sporting clubs is high.

What are our key priorities for 2017-2018?

The Key priorities for next academic year are set against the following five key indicators:

1 The engagement of all pupils in regular physical activity – kick starting healthy active lifestyles

- Commitment to at least 2x hours per week physical activity (which will include 2x curriculum lessons on average per week, outdoor play opportunities, participation in festivals, tournaments, galas, etc.) lead by teachers and Sports Coach
- Commitment to engagement in Collaboration PE and sports opportunities each term
- Commitment to wider coaching opportunities for all pupils eg. Dover
- Introduce a lunchtime walk/run a km a week challenge for staff and students
- Ensure that non-swimmers at the end of Year 4 have access to additional funded swimming lessons for one term

Planned funding:

- Sports Coach costs @ £4000
- Swimming lesson costs @ £30 per child per annum

2 The profile of PE and sport is raised across the school as a tool for whole school improvement

- Celebrate achievements of in-school and out of school sporting successes in Achievement Assemblies, newsletters, local press etc.

Planned funding:

3 Increased confidence, knowledge and skills of all staff in teaching PE and sport

- CPD for named staff in Fizzy and Sensory Circuits programmes for individuals with additional educational needs
- Each teacher to work with the Sports Coach to organise and lead an intra-school sporting event per annum

Planned funding:

- CPD costs @£100 per programme = total £200

4 Broader experience of a range of sports and activities is offered to all pupils

- All children to attend Dover Gym Club for 2x terms
- Ensure Langdon is lead school for provision and/or organisation of Collaboration PE and/or sport event annually for KS1 and KS2

Planned funding:

- Dover Gym Club lessons @ £1500
- Collaboration PE and/or sport event costs @ £150 (costs to be met from Collaboration budget)

5 Increased participation in competitive sport

- Purchase of second-hand minibus in order to transport pupils to sporting events
- Re-introduce three intra-school sporting events per annum

Planned funding:

- Second hand minibus costs @ £4000
