

## **LANGDON PRIMARY SCHOOL** **PE and Sports Premium and expenditure**

Vision for the Primary PE and Sports Premium:

'**ALL** pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.'

The funding has been provided to ensure impact against the following objective:

'To achieve **self sustaining improvement** in the quality of PE and sport in primary schools. It is important to emphasize that the focus of spending must lead to long lasting impact against the vision that will live on well beyond the Primary PE and Sports Premium funding.

It is expected that schools will see an improvement against the following five key indicators:

- 1 The engagement of **all** pupils in regular physical activity – kick starting healthy active lifestyles
- 2 The profile of PE and sport is raised across the school as a tool for whole school improvement
- 3 Increased confidence, knowledge and skills of all staff in teaching PE and sport
- 4 Broader experience of a range of sports and activities offered to all pupils
- 5 Increased participation in competitive sport

From September 2013 the Government has allocated funding directly to primary schools to support the provision of Sport and Physical Education. Half of the money we receive has been funded by the Department of Health and therefore is also be used to improve opportunities for all children to adopt healthy lifestyles. The school also commits funding from its main budget to support both in-school and extra-curricular provision, including opportunities in sport and PE, in order to benefit the well being and health of our pupils.

### **What were our key priorities for 2017-2018?**

The Key priorities for last academic year set against the following five key indicators:

#### **1 The engagement of all pupils in regular physical activity – kick starting healthy active lifestyles**

- Commitment to at least 2x hours per week physical activity (which will include 2x curriculum lessons on average per week, outdoor play opportunities, participation in festivals, tournaments, galas, etc.) lead by teachers and Sports Coach
- Commitment to engagement in Collaboration PE and sports opportunities each term
- Commitment to wider coaching opportunities for all pupils eg. Dover Gym Club/Dance Extreme
- Introduce a lunchtime walk/run a km a week challenge for staff and students
- Ensure that non-swimmers at the end of Year 4 have access to additional funded swimming lessons for one term per year

#### **Planned funding:**

- PE, sports and play equipment and resources @ £420
- Sports Coach costs @ £4000
- Swimming lesson costs @ £30 per child per annum

**Percentage of total allocation:** 25% = £4450

## **2 The profile of PE and sport is raised across the school as a tool for whole school improvement**

- Celebrate achievements of in-school and out of school sporting successes in Achievement Assemblies, newsletters, local press etc.

### **Planned funding:**

**Percentage of total allocation:** 0% = £0

## **3 Increased confidence, knowledge and skills of all staff in teaching PE and sport**

- CPD for named staff in Fizzy and Sensory Circuits programmes for individuals with additional educational needs
- Each teacher to work with the Sports Coach to organise and lead an intra-school sporting event per annum

### **Planned funding:**

- CPD costs @£100 per programme = total £200
- Teacher release costs x 4 days @ £200 x 4 = £800

**Percentage of total allocation:** 6% = £1000

## **4 Broader experience of a range of sports and activities is offered to all pupils**

- All children to attend Dover Gym Club for 2x terms
- All children attend lessons with Dance Extreme for 2x terms
- Ensure Langdon is lead school for provision and/or organisation of Collaboration PE and/or sport event annually for KS1 and KS2
- Outdoor education opportunities costs partially met (Rippledown Outdoor Education Centre @ £30 pp, Swattenden Outdoor Education Centre @ £25 pp)

### **Planned funding:**

- Dover Gym Club lessons @ £1500
- Dance Extreme @ £1500
- Collaboration PE and/or sport event costs @ £150 (costs to be met from Collaboration budget)
- Outdoor Education costs @ £900

**Percentage of total allocation:** 15% = £4050

## **5 Increased participation in competitive sport**

- Contribution towards purchase of second-hand minibus in order to transport pupils to sporting events
- Re-introduce three intra-school sporting events per annum

### **Planned funding:**

- Second hand minibus costs @ £4000 maximum
- Minibus running costs @ £2500

**Percentage of total allocation:** 40% = £6500

## **What has been the impact of the Sports Premium 2017-2018?**

Staff are well trained to teach PE and sport skills, feel confident doing so and lessons are judged to be good. PE and Sport lessons delivered by the Sports Coach are judged to good, following moderation by teaching staff, Head Teacher and Governing Body. Ofsted (July 2017) confirmed that, 'Teachers try to make sure that activities are engaging and build on pupils' interests. . . . The teaching of music and physical education is also strong.'

Higher staff-student ratios ensure that where needed more support or challenge is provided to those who still need to develop basic sporting and games skills or to those who need more challenge in order to improve and fine tune higher level sporting and games skills to promote mastery. Ofsted noted, 'Pupils achieve well in other subjects such as music and physical education.'

Pupil engagement in PE and sports lessons is high, feedback through pupil questionnaires shows that pupils enjoy sport generally, specific PE and sport lessons and extra curricular activities. Ofsted confirmed this judgement noting, 'Pupils also enjoy a range of clubs, including those for sporting and artistic activities.' and 'Pupils show kindness, care and respect for others and they are keen to take on responsibilities such as being a sports leader.'

All pupils from Y1-6 have had opportunities to participate in competitive, events and tournaments activities outside of the school context. Ofsted confirmation of this was noted in, 'School leaders are outward looking. They seek out, and act on, advice from . . . colleagues from other schools in the collaboration. The joint working with these three other schools gives staff the opportunity to share ideas and learn from each other. There are also opportunities for all pupils to take part in various sporting activities along with the pupils from the other more culturally diverse schools. As well as making good use of the sports premium and increasing their participation in different sports, these activities also widen their knowledge and understanding of cultural diversity in modern Britain.'

100% of pupils leaving school at the end of KS2 can swim at least 5m unaided; 94% can swim 25m confidently and proficiently.

Participation in out of school hours sporting clubs, is high for all pupils from Y1-6 and sporting and outdoor activity clubs are by far the most popular and oversubscribed clubs run by the school.

Because staff celebrate achievements in in-school and out of school sport through assemblies and signpost parents to quality provision outside of school, participation in out of school sporting clubs is high. A number of pupils now have lessons at Dover Gym Club and Dance Extreme as a direct result of lessons they have had with these companies in school. Some pupils have had considerable success in performance and competition in these providers at club, local and national levels.

### **Swimming skills 2017-2018**

By the end of Year 6 pupils should be able to swim competently and confidently over a distance of at least 25m. They should be able to use a range of strokes and safely rescue themselves in water based situations. The Year 6 cohort in 2017-2018 totalled 16 pupils.

Percentage of pupils who could swim competently, confidently, proficiently over a distance of 5m 100%

Percentage of pupils who were proficient over a distance of at least 25m 100%

Percentage of pupils who were able to use a range of strokes effectively 88%

Percentage of pupils who were able to safely self rescue in water-based situations 63%

### **What are our key priorities for 2018-2019?**

The Key priorities for next academic year are set against the following five key indicators:

#### **1      The engagement of all pupils in regular physical activity – kick starting healthy active lifestyles**

- Commitment to at least 2.5x hours per week physical activity (which will include 2x curriculum lessons on average per week, outdoor play opportunities, participation in festivals, tournaments, galas, etc.), lead by teachers and Sports Coach, opportunities to join sports clubs led by staff
- Commitment to 'Walk to School' scheme run by Kent Messenger
- Commitment to engagement in Collaboration PE and sports opportunities each term
- Commitment to wider coaching opportunities for all pupils eg. Dover Gym Club/Dance Extreme
- Introduce a lunchtime walk/run a km a week challenge for staff and students

- Ensure that non-swimmers at the end of Year 4 have access to additional funded swimming lessons for one term per year

**Planned funding:**

- Walk to School costs @£120
- PE and Sport and play equipment @ £400
- Sports Coach costs @ £2400
- Dover Gym Club costs @ £2400
- Dance Extreme costs @ £2200
- Swimming lesson costs @ £30 per child per annum

**Percentage of total allocation:** 45% = £7520

**2 The profile of PE and sport is raised across the school as a tool for whole school improvement**

- Celebrate achievements of in-school and out of school sporting successes in Achievement Assemblies, newsletters, local press etc.
- Teachers and Sports Coach to organise and lead intra-school sporting event per annum

**Planned funding:**

- Purchase of Kent Children's University Passports to Learning for all pupils new to the school and all Year 1 pupils (rolling programme) to record sporting club participation as 'learning credits' towards graduation awards £100

**Percentage of total allocation:** 1% = £100

**3 Increased confidence, knowledge and skills of all staff in teaching PE and sport**

- Staff appraisal to include PE and Sport training target – staff to teach PE and Sport to their own or each others classes and to lead CPD and provide supplementary reference resources for a new activity in order to broaden subject knowledge and skills base
- Each teacher to work with the Sports Coach to organise and lead an intra-school sporting event per annum

**Planned funding:**

- Contribution towards teacher PE and sport leadership costs @ £5290
- Teacher release costs x 4 days @ £200 x 4 = £800

**Percentage of total allocation:** 5% = £6090

**4 Broader experience of a range of sports and activities is offered to all pupils**

- All children to attend Dover Gym Club for 2x terms
- All children attend lessons with Dance Extreme for 2x terms
- Ensure Langdon is lead school for provision and/or organisation of Collaboration PE and/or sport event annually for KS1 and KS2
- Teachers to provide CPD in new activities for all teaching staff
- Year 2 Residential Visit (Outdoor Education and Forest School activities)

**Planned funding:**

- Dover Gym Club lessons – as above
- Dance Extreme – as above
- Collaboration PE and/or sport event costs @ £150
- Rippledown Outdoor Education Centre off set cost of visit 10x children @ £300

**Percentage of total allocation:** 3% = £450

**5 Increased participation in competitive sport**

- Contribution towards maintenance of minibus in order to transport pupils to sporting events

- Re-introduce three intra-school sporting events per annum

**Planned funding:**

- Minibus costs @ £2500

**Percentage of total allocation:** 15% = £2500
