theme in the
oval below.*

Problem Solving, Reasoning & Numeracy

Coordinate grids—reading information from them and placing information using them

**Religious Education
Personal, Social & Emotional**

Creative Development

Creating our own maps of a journey

Treasure maps

Marvellous Maps!

Physical Development

Knowledge & Understanding of the World

Fieldwork—finding shapes on the ground (observational drawing/rubbings/tracing); short journeys (Village Hall to School) and long journeys (Around the village)

Plan drawings—objects from above; plans of classrooms (drawing and interpretation); school buildings; local area

Keys, colour coding, labelling and recognised OS symbols on maps

ABC 123 coordinate grids; two figure grid references; OS map references
