PRIMARY SCHOOL

Lettings Policy

Created Spring 2019

Agreed by the Governing Body 2.4.19

Due for review Spring 2021

LANGDON SCHOOL LETTINGS POLICY

Philosophy:

Provided there is no interruption to school use of the premises, part of the school buildings and grounds may be let to outside bodies after the end of the school day, at weekends and during the holidays, in order to:

- Raise income for the school
- Better integrate the school into the local community
- Familiarise individuals with the school, who may become pupils or their parents
- Satisfy some of the needs of local individuals, groups and organisations
- Increase the use of facilities that are under used by the school

This policy has been written following the guidance from KCC which is available in greater depth on the Kelsi website.

Priority Usage:

The governors have adopted the following categories of priority user:

- (i) school and PTFA users
- (ii) statutory users;
- (iii) designated users;
- (iv) private users.

The governors recognise that it would be impossible for them to personally vet every applicant or organisation who wish to make use of the school premises. Accordingly they have delegated the authority to accept applications for hire to the following persons: The Headteacher.

No member of staff is allowed to vary the terms and conditions from which the school premises are hired to either individuals or organisations nor to deviate from the governors published charging policy.

Roles and Responsibilities:

The office manager is responsible for the construction and regular update of the lettings diary.

- The staff and PTFA secretary are responsible for informing the office manager, in advance and within a reasonable timescale, of events outside teaching hours, which will use the school premises
- Opening and closing the school is undertaken by the site manager or by prior agreement with an authorised member of the staff
- Supervision during the letting is the responsibility of the user. The user is also responsible for the security of the area of the school being used
- When a risk assessment is completed by the user or the school, in relation to the premises or activity or equipment involved, the user must ensure any controls are complied with
- Post-letting checks are made by the site manager and reported to the school authorised representative

- The authorised representative will ensure that excess wear and tear on the buildings and equipment is avoided and will follow up unsatisfactory lettings to resolve issues

Implementation:

Potential lettings users should be asked to complete an application form or submit a written request detailing their requirements. On receipt we will confirm that the accommodation and equipment requested is available when required and agree the caretaking times and availability as necessary. The potential user, who must be over the age of 18 years, must be made aware of the Conditions of Use requirements and be able to meet them to the satisfaction of the school. Before calculating the charge for the letting, account should be taken of all the costs to the school of the lettings.

Bookings are made through the representative of the school, as authorised by the Governing Body, and confirmed in writing.

- School and PTFA activities have priority
- No bookings are confirmed more than 4 months in advance although provisional bookings may be made at any time
- Outline charges are set by the Headteacher and Governors and reviewed every two years in line with the review of this policy
- Specific charges are set at the time of the agreement
- The VAT liability of the letting is determined at the time of the agreement
- Payment is in advance for single lettings
- For long term lettings, the agreement should be updated and reviewed at least annually
- In accordance with KCC guidance, a diary is kept covering all school, PTFA and outside use of the premises and grounds after school, in evenings, at weekends and in holidays

Users sign an agreement that covers:

- Terms and conditions relating to type of and length of use
- Cancellation
- Damage
- Insurance
- Charging
- Restrictions on use
- Licensing for the sale of alcohol, or public performances
- Parking

At no point will any landlord and tenant relationship be created.

Lettings Documentation

All formal hiring of the schools premises or school properties or equipment eg. minibus, including those for which no charge is made, shall be properly documented. All hirers **must** complete hire agreement and are to receive a copy of the conditions of hire. The hire agreement is a contract which the governors may enforce in law.

Scale of Charges

In arriving at their scale of charges the governors have adopted the following principles :-

- (i) that statutory users will be charged an amount commensurate with cost recovery;

- (ii) that designated users will be charged no more than cost;
- (iii) that private users will be charged on a cost plus an income margin for the school;
- (iv) that there will be parity of treatment for similar users;
- (v) that overall the cost of letting school facilities will be recovered from users.

For the purpose of charging, the Headteacher is empowered to determine to which group any particular individual or organisation belongs. The basis of charging will be determined by the purpose for which a letting is arranged.

The scale of charges forms Appendix 3 to this policy statement.

Discounts

These form part of the scale of charges (Appendix 3) and are the only permitted variations to the standard charges.

Value Added Tax

The governors are constrained by law to apply value added tax to all transactions where this is appropriate. (Appendix 3)

Minimum charges and deposits

The minimum hire period will be 1 hour.

The governors reserve the right to require a deposit over and above the hiring charge as a surety against damage to the premises, property or equipment or the premises being left in an unacceptable condition necessitating their incurring additional cost for cleaning, caretaking or other expenses.

Cancellations

Governors will seek to recover any costs incurred by the school which are unavoidable and result directly from the cancellation of a letting. Details of the charges are shown in the scale of charges in Appendix 3.

Payment methods

The governors are mindful of their responsibilities in safeguarding the school from bad debt. Therefore payment at the time of booking is the norm. Cheques or cash are both acceptable. In all cases where cash or cheques are paid over then an official receipt must be issued. The Office Manager, acting on behalf of the Governing Body, will ensure timely receipt of payments. Arrangements may be made to stop the letting if payment has not been received.

Invoices will be sequentially numbered with any insurance contribution and VAT element being clearly identified. Numbered receipts for payments will be issued as soon as possible and payments will be banked promptly. FMS6 Accounts Receivable module will be used for invoices and receipts.

Extension of Credit

The governors will allow the extension of credit to bona fide local organisations and individuals where they are satisfied that these are credit worthy. In all the cases the governors reserve the right to withdraw credit facilities where prompt payment is not received. In all cases where credit is

extended, an official County Council invoice will be issued. The Governors will not normally extend credit for lettings where the invoice value is less than fifty pounds (£50). The governors have chosen to delegate the approval of credit facilities to the Headteacher and Office Manager. In all cases where credit is advanced the invoice is to be raised at the time of booking.

Health, Safety and Security

The requirements of the Health and Safety at Work Act 1974 and associated health and safety legislation apply to lettings and this will be drawn to the attention of users. They will be made aware of the content of the school health and safety policy as it applies to them and need to be willing to take on the safety and security requirements of the policy and the conditions of use.

A risk assessment may need to be completed by the user, especially where the activity presents a greater risk than life in general. We will then consider the risks and proposed controls and ensure that we are satisfied that the activity does not present an unacceptable level of risk prior to the letting taking place.

The governors will not normally insist upon continuous caretaking presence. However they reserve the right to and delegated power to the Headteacher to insist upon caretaking presence where in her view the nature of the hiring may leave the school vulnerable to theft or damage.

Users must comply with the school health and safety policy, a copy of which is available on request.

Insurance

The Hirer must arrange their own insurance and produce documentary evidence from their insurers or brokers to the effect that a valid Public Liability policy is in place with a minimum indemnity limit of £5million for any one event/each and every claim. Where cover is not confirmed it will not be assumed that it exists. Use of the school will not be permitted until evidence of insurance cover has been seen.

Cover can be provided under the KCC Hirers' Liability (Lettings) Policy in the event that a non-commercial hirer has no cover, or is unable to provide cover that meets the above requirements. The school is required by KCC to charge a contribution towards the cost of the KCC Hirers' Liability Policy (currently 3.15% of hire fee) in addition to any fee for use of the premises. This policy has an indemnity limit of £5million for any one event. The Hirer is liable to pay a policy excess of £350 for each claim submitted in respect of damage to property.

Commercial hirers and political organisations cannot take advantage of the KCC Hirers' Liability Policy and must arrange their own insurance. A commercial hirer would be regarded as an individual or organisation which may make a personal financial gain or business profit out of the hiring.

We will not request or vet details of public liability insurance for any other KCC directorate/establishment /unit or another school in the Safehands Insurance Scheme using our premises, because they are all covered by the same KCC corporate insurance arrangements.

Cleaning and caretaking arrangements

If agreement is given for the use of the schools meals facilities/canteen, KCC regulations must be observed.

All rubbish, empty containers, crates, etc must be removed from the premises by the user immediately after the letting has taken place and before locking up. Furniture and equipment is to be left as found unless other arrangements have been agreed with the school's authorised representative.

The premises shall not be used for any purpose other than that for which agreement has been granted nor shall any areas of, or furniture/equipment in, the school but not included in the letting agreement be used without express permission; in such cases an extra fee may be payable.

Licences

The user must have written permission from the school before arranging for alcoholic drinks to be consumed on the premises. Under The Licensing Act 2003 the users are responsible for Temporary Event Notices (TENs) to the district/borough council and local police. Alcoholic drink may not be brought onto the premises while students are present and are to be cleared from the premises when the event ends.

No public performance of a play, cinematography exhibition, public dancing, singing, music or other public entertainment of the like shall be performed in or close to the premises unless any necessary licence for the same shall first have been obtained from the appropriate authority and all necessary measures taken to fulfil the conditions of the licence. It may be that KCC blanket PRS (Performing rights Society) or PPL (Phonographic Performance Ltd) Licences will cover some situations but this aspect must be cleared in advance with the school. Temporary Event Notices (TENs) are required not only for any sale/supply of alcohol, but also for regulated entertainment (eg. live and recorded music and performance of dance) and late night refreshments.

Parking

Vehicles are not allowed on the playground or playing field unless specifically agreed in writing. Vehicles may be parked in the school car park at the front of the school. Vehicles must be positioned such that the Emergency Service have clear access to the rear of the school via the side gate. Control of parking is the responsibility of the user. No responsibility can be taken by the school for any damage to vehicles sustained whilst in the school grounds.

Minibus

Any hiring of the minibus by other schools or private organisations will be done with reference to the KCC Minibus Code of Practice and within the terms of the school's minibus insurance provided by KCC.

All minibus drivers must be trained and assessed by an approved KCC service provider. Drivers will be reassessed every three years in order to renew their KCC Minibus Driver Permit. Under no circumstances can the minibus be driven by anyone who is not in possession of a valid and up to date KCC Minibus Driver Permit.

The minibus has fully comprehensive insurance provided by KCC only for the official business of KCC eg.

- Organised trips for pupils
- Transportation of pupils
- Staff transportation eg. to another venue for training purposes
- Driver training and assessment purposes with an approved trainer.

The minibus can only be used for social, domestic or pleasure purposes if authorised by the Head Teacher. This will be on the strict understanding that the proposed user is personally liable for taking out comprehensive insurance to cover the usage, and providing original evidence of such before the vehicle is released to the private user (photocopies are not acceptable).

Services and associations affiliated to KCC are permitted to use KCC vehicles on production of satisfactory evidence detailing the extent of the affiliation. Any association that wishes to use the

school minibus must submit original evidence of this affiliation to the school office prior to hiring the minibus.

The safety of all passengers is paramount so it is the responsibility of any hirer to carry out vehicle checks in order to assure themselves that the vehicle is in good condition and that regular checks have been carried out by school staff. Drivers must also ensure that all passengers are wearing seat belts on any journey. Drivers must adhere to the rules of the Highway Code and must not exceed any speed limit.

Monitoring & Evaluation:

Lettings should be evaluated to assess the additional income raised for the school, less the cost of any reasonable wear and tear to the furniture and fabric of the school, made during lets and costs of additional heating and caretaker's payments.

Review of Policy

The governors will review the policy every two years and the scale of hire charges for the forthcoming two year period will also be reviewed and updated.
