

LANGDON PRIMARY SCHOOL

PE and Sports Premium and expenditure

Vision for the Primary PE and Sports Premium:

'**ALL** pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.'

The funding has been provided to ensure impact against the following objective:

'To achieve **self sustaining improvement** in the quality of PE and sport in primary schools. It is important to emphasize that the focus of spending must lead to long lasting impact against the vision that will live on well beyond the Primary PE and Sports Premium funding.

It is expected that schools will see an improvement against the following five key indicators:

- 1 The engagement of **all** pupils in regular physical activity – kick starting healthy active lifestyles
- 2 The profile of PE and sport is raised across the school as a tool for whole school improvement
- 3 Increased confidence, knowledge and skills of all staff in teaching PE and sport
- 4 Broader experience of a range of sports and activities offered to all pupils
- 5 Increased participation in competitive sport

From September 2013 the Government has allocated funding directly to primary schools to support the provision of Sport and Physical Education. Half of the money we receive has been funded by the Department of Health and therefore is also be used to improve opportunities for all children to adopt healthy lifestyles. The school also commits funding from its main budget to support both in-school and extra-curricular provision, including opportunities in sport and PE, in order to benefit the well being and health of our pupils.

What were our key priorities for 2018-2019?

The Key priorities for last academic year set against the following five key indicators:

1 The engagement of all pupils in regular physical activity – kick starting healthy active lifestyles

- Commitment to at least 2.5x hours per week physical activity (which will include 2x curriculum lessons on average per week, outdoor play opportunities, participation in festivals, tournaments, galas, etc.), lead by teachers and Sports Coach, opportunities to join sports clubs led by staff
- Commitment to 'Walk to School' scheme run by Kent Messenger
- Commitment to engagement in Collaboration PE and sports opportunities each term
- Commitment to wider coaching opportunities for all pupils eg. Dover Gym Club/Dance Extreme
- Introduce a lunchtime walk/run a km a week challenge for staff and students
- Ensure that non-swimmers at the end of Year 4 have access to additional funded swimming lessons for one term per year

Planned funding:

- Walk to School costs @£120
- PE and Sport and play equipment @ £400
- Sports Coach costs @ £2400
- Dover Gym Club costs @ £2400

- Dance Extreme costs @ £2200
- Swimming lesson costs @ £30 per child per annum

Percentage of total allocation: 45% = £7520

2 The profile of PE and sport is raised across the school as a tool for whole school improvement

- Celebrate achievements of in-school and out of school sporting successes in Achievement Assemblies, newsletters, local press etc.
- Teachers and Sports Coach to organise and lead intra-school sporting event per annum

Planned funding:

- Purchase of Kent Children's University Passports to Learning for all pupils new to the school and all Year 1 pupils (rolling programme) to record sporting club participation as 'learning credits' towards graduation awards £100

Percentage of total allocation: 1% = £100

3 Increased confidence, knowledge and skills of all staff in teaching PE and sport

- Staff appraisal to include PE and Sport training target – staff to teach PE and Sport to their own or each others classes and to lead CPD and provide supplementary reference resources for a new activity in order to broaden subject knowledge and skills base
- Each teacher to work with the Sports Coach to organise and lead an intra-school sporting event per annum

Planned funding:

- Contribution towards teacher PE and sport leadership costs @ £5290
- Teacher release costs x 4 days @ £200 x 4 = £800

Percentage of total allocation: 5% = £6090

4 Broader experience of a range of sports and activities is offered to all pupils

- All children to attend Dover Gym Club for 2x terms
- All children attend lessons with Dance Extreme for 2x terms
- Ensure Langdon is lead school for provision and/or organisation of Collaboration PE and/or sport event annually for KS1 and KS2
- Teachers to provide CPD in new activities for all teaching staff
- Year 2 Residential Visit (Outdoor Education and Forest School activities)

Planned funding:

- Dover Gym Club lessons – as above
- Dance Extreme – as above
- Collaboration PE and/or sport event costs @ £150
- Rippledawn Outdoor Education Centre off set cost of visit 10x children @ £300

Percentage of total allocation: 3% = £450

5 Increased participation in competitive sport

- Contribution towards maintenance of minibus in order to transport pupils to sporting events
- Re-introduce three intra-school sporting events per annum

Planned funding:

- Minibus costs @ £2500

Percentage of total allocation: 15% = £2500

What has been the impact of the Sports Premium 2018-2019?

Staff are well trained to teach PE and sport skills, feel confident doing so and lessons are judged to be good. PE and Sport lessons delivered by the sports coaches and teachers are judged to good, following moderation by teaching staff, Head Teacher, Governing Body and collaboration partners. Ofsted (July 2017) confirmed that, 'Teachers try to make sure that activities are engaging and build on pupils' interests. . . . The teaching of music and physical education is also strong.'

Higher staff-student ratios ensure that where needed more support or challenge is provided to those who still need to develop basic sporting and games skills or to those who need more challenge in order to improve and fine tune higher level sporting and games skills to promote mastery. Ofsted noted, 'Pupils achieve well in other subjects such as music and physical education.'

Pupil engagement in PE and sports lessons is high, feedback through pupil questionnaires shows that pupils enjoy sport generally, specific PE and sport lessons and extra curricular activities. Ofsted confirmed this judgement noting, 'Pupils also enjoy a range of clubs, including those for sporting and artistic activities.' and 'Pupils show kindness, care and respect for others and they are keen to take on responsibilities such as being a sports leader.'

All pupils from Y1-6 have had opportunities to participate in competitive, events and tournaments activities outside of the school context. Ofsted confirmation of this was noted in, 'School leaders are outward looking. They seek out, and act on, advice from . . . colleagues from other schools in the collaboration. The joint working with these three other schools gives staff the opportunity to share ideas and learn from each other. There are also opportunities for all pupils to take part in various sporting activities along with the pupils from the other more culturally diverse schools. As well as making good use of the sports premium and increasing their participation in different sports, these activities also widen their knowledge and understanding of cultural diversity in modern Britain.'

100% of pupils leaving school at the end of KS2 can swim at least 5m unaided and this year 100% can swim 25m confidently and proficiently.

Participation in out of school hours sporting clubs, is high for all pupils from Y1-6 and sporting and outdoor activity clubs are by far the most popular and oversubscribed clubs run by the school.

Because staff celebrate achievements in in-school and out of school sport through assemblies and signpost parents to quality provision outside of school, participation in out of school sporting clubs is high. A number of pupils now have lessons at Dover Gym Club and Dance Extreme as a direct result of lessons they have had with these companies in school. Some pupils have had considerable success in performance and competition in these providers at club, local and national levels.

Swimming skills 2018-2019

By the end of Year 6 pupils should be able to swim competently and confidently over a distance of at least 25m. They should be able to use a range of strokes and safely rescue themselves in water based situations. The Year 6 cohort in 2018-2019 totalled 8 pupils.

Percentage of pupils who could swim competently, confidently, proficiently over a distance of 5m	100%
Percentage of pupils who were proficient over a distance of at least 25m	100%
Percentage of pupils who were able to use a range of strokes effectively	100%
Percentage of pupils who were able to safely self rescue in water-based situations	75%

What are our key priorities for 2019-2020?

The Key priorities for next academic year are set against the following five key indicators:

1 The engagement of all pupils in regular physical activity – kick starting healthy active lifestyles

- Commitment to at least 2.5x hours per week physical activity (which will include 2x curriculum lessons on average per week, outdoor play opportunities, participation in festivals, tournaments, galas, etc.), lead by teachers and Sports Coach, opportunities to join sports clubs led by staff

- Commitment to 'Walk to School' scheme run by Kent Messenger
- Commitment to engagement in Collaboration PE and sports opportunities each term
- Commitment to wider coaching opportunities for all pupils eg. Dover Gym Club/Dance Extreme
- Introduce a lunchtime walk/run a km a week challenge for staff and students
- Ensure that non-swimmers at the end of Year 4 have access to additional funded swimming lessons for one term per year

Planned funding:

- Walk to School costs @£120
- PE and Sport and play equipment @ £400
- Dover Gym Club costs @ £2400
- Dance Extreme costs @ £2200
- Swimming lesson costs @ £30 per child per annum

Percentage of total allocation: 31% = £5120

2 The profile of PE and sport is raised across the school as a tool for whole school improvement

- Celebrate achievements of in-school and out of school sporting successes in Achievement Assemblies, newsletters, local press etc.
- Teachers and Sports Coaches to organise and lead intra-school sporting events per annum
- Staff to lead across the collaboration when organising and delivering training in sport and PE
- Whole staff group to plan Sport and PE theme week, introducing pupils to a range of new sports as well as mindfulness activities.

Planned funding:

- Purchase of Kent Children's University Passports to Learning for all pupils new to the school and all Year 1 pupils (rolling programme) to record sporting club participation as 'learning credits' towards graduation awards £100
- Outside provider costs for theme week £2000

Percentage of total allocation: 13% = £2100

4 Increased confidence, knowledge and skills of all staff in teaching PE and sport

- Staff appraisal to include PE and Sport training target – staff to teach PE and Sport to their own or each others classes and to lead CPD and provide supplementary reference resources for a new activity in order to broaden subject knowledge and skills base
- Staff to explore training opportunities in the local area eg. Your Leisure tennis coaching training/football training for teachers with FA
- Each teacher to organise and lead an intra-school sporting event per annum

Planned funding:

- Contribution towards teacher PE and sport leadership costs @ £5290
- Teacher release costs x 4 days @ £200 x 4 = £800

Percentage of total allocation: 36% = £6090

4 Broader experience of a range of sports and activities is offered to all pupils

- All children to attend Dover Gym Club for 2x terms
- All children attend lessons with Dance Extreme for 2x terms
- Ensure Langdon is lead school for provision and/or organisation of Collaboration PE and/or sport event annually for KS1 and KS2
- Teachers to provide CPD in new activities for all teaching staff
- Year 2 Residential Visit (Outdoor Education and Forest School activities)
- Year 6 Residential Visit (Sailing and Outdoor Adventurous Sports)

Planned funding:

- Dover Gym Club lessons – as above
- Dance Extreme – as above
- Collaboration PE and/or sport event costs @ £150
- Rippledown Outdoor Education Centre off set cost of visit 10x children @ £300
- Manor Adventure Outdoor Education Centre off set cost of visit x24 children @ £960

Percentage of total allocation: 8% = £1410

5 Increased participation in competitive sport

- Contribution towards maintenance of minibus in order to transport pupils to sporting events
- Re-introduce three intra-school sporting events per annum

Planned funding:

- Minibus costs @ £2500

Percentage of total allocation: 12% = £2020
