

Langdon Primary School – Coronavirus/Covid 19 Risk Assessment - from 1 September 2020

Detailing end of term arrangements July 2020 and arrangements for terms 1 and 2 in September - December 2020

This Risk Assessment and Action Plan document sets out the decisions taken and measures put in place to prepare for the phased re-opening of the school and to ensure the school continues to operate in a safe way.

This document was drawn up with reference to the following guidance:

- Current government and DfE guidance for school reopening
- Current guidance for managing playgrounds and outdoor gyms
- KCC guidance
- Joint Union (Unison, NEU, GMB, Unite) guidance 'Planning guide for Primary Schools – Coronavirus crisis, Workplace checklist'
- Essex Schools Re-opening Risk Assessment and Action Plan template

Existing policies and guidance continue to apply alongside the actions within this document, including but not limited to:

- Health and Safety Policy
- First Aid Policy
- Safeguarding/Child Protection Policy
- DfE Guidance relating to COVID-19
- Reporting of Injuries, Diseases and Dangerous Occurrences Regulations (RIDDOR) 2013
- The Health Protection (Notification) Regulations 2010
- Public Health England (PHE) (2017) 'Health protection in schools and other childcare facilities'

Key Principles

- Our core aim is to ensure the safety and well being of all members of the school community and this will be at the heart of our decision making with regard to school reopening
- We endeavour to maintain best educational practice for all Langdon children during this period of change.

Key Messages

- Good safeguarding is at the heart of what we do at Langdon and this will always be the case.

- The unique nature of our school environment and community is a major influence on our decision making and planning.
- We will continue to provide for vulnerable children and children of critical workers (using the government's criteria for these groups) as our priority.
- Children will return to school with a range of different experiences from their time during lockdown. Our plans take account of this and allow teachers to develop learning experiences and activities that are relevant to the learning and well being of the children in their class on return to school.
- We are mindful that some pupils, particularly those with SEND and those who are more vulnerable may need additional support and where possible, we will endeavour to provide this in order to address any gaps in learning and any social, emotional or well being need.
- For pupils who will not be returning to school at this stage, or for those in Years R, 1 and 6 who parents wish to keep at home, we will continue to provide a regular and tailored home learning offer.
- We will work within the government guidance for full school reopening as much as we possibly can. Where we have concerns that we are unable to do this, we will seek advice from the Local Authority in order to determine our course of action

Rationale

COVID-19 affects the lungs and airways of those infected and is primarily spread through respiratory droplets, which means to become infected, people generally must be within six feet of someone who is contagious and come into contact with these droplets. It may be possible that a person can get COVID-19 by touching a surface or object that has the virus on it and then touching their own mouth, nose, or their eyes. Latest evidence now suggests it may be an airborne virus.

Symptoms of COVID-19 appear usually within two to 14 days after exposure and include fever, cough, and/or reduction in sense of taste or smell. Generally, these infections can cause more severe symptoms in people with weakened immune systems, older people, and those with long-term conditions like diabetes, cancer and chronic lung disease.

This risk assessment allows us to plan to mitigate any risk to this virus and its effects on the whole school community.

Risk Assessment

All employers are required by law to protect their employees, and others, from harm. The minimum an employer must do is:

- Identify what would cause injury or illness in the organisation (hazard)
- Decide how likely it is that someone could be harmed and how seriously (the risk)
- Take action to eliminate the hazard, or if this isn't possible, control the risk as far as is reasonably practicable

It is the job of the leaders of this school to assess and plan measures and steps that will be taken in order to minimise risks from Coronavirus/Covid-19. The governors and staff who have been involved in this process recognise that whilst we can mitigate against the risks, we cannot completely eliminate them. We will work however, as far as practicable, in order to make the school 'Covid-secure'. This document outlines sensible measures and steps that we will put in place and take in order to control risk to Coronavirus/Covid-19 in this school.

We believe in order to provide transparency in our approach it is right to share our risk assessment with the whole of our community and to publish it on our website for parents, carers and pupils to view.

We will monitor and review the preventative and protective controls that are outlined in this document regularly to ensure they are working and take action to address any shortfalls. As such, this document is a working document, subject to change and improvement in light of our experience and changing guidance and advice.

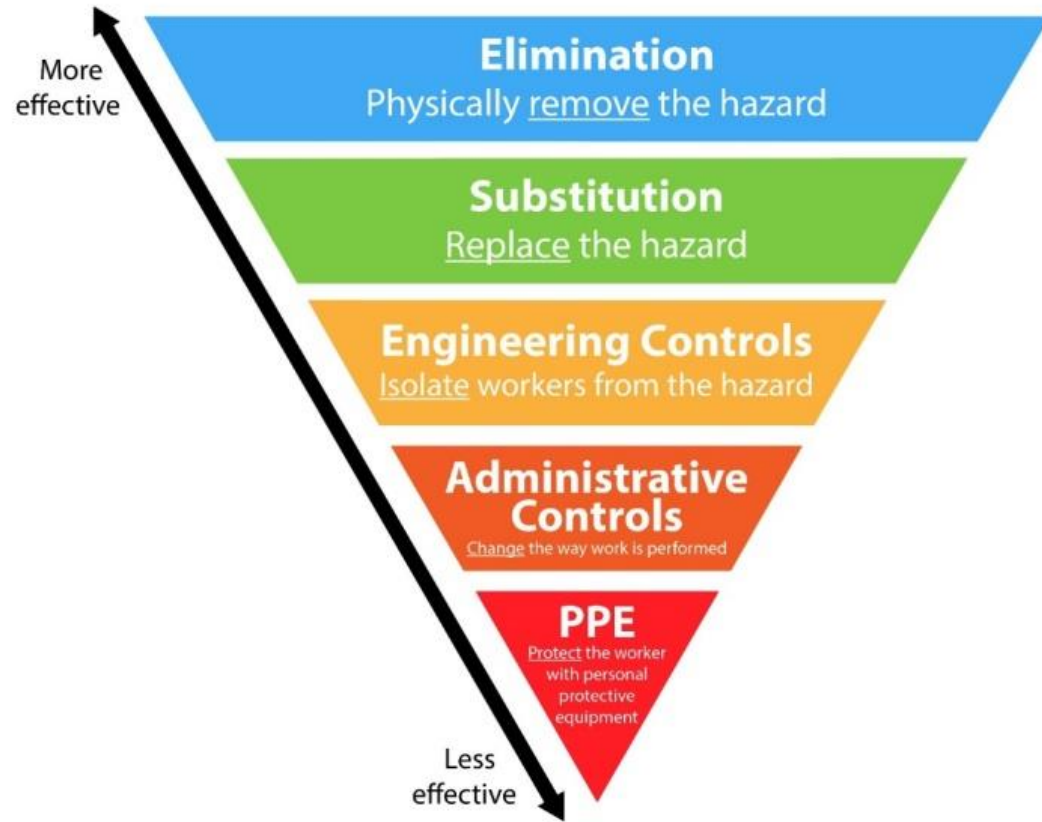

Risk Assessment Matrix

This risk assessment matrix has been used to assess how serious a risk the spread of COVID-19 in our school will be in light of no action taken and then again if our planned actions are taken. This gives a prediction about how effective our methods of control will be. To establish the level of risk I have multiplied the consequence by the likelihood. For any score above 8, the risk is high, and above 16 it is extreme.

| | | Likelihood | | | | |
|--------------|-------------------|---------------|---------------|---------------|---------------|------------------------|
| | | 1 Rare | 2 Unlikely | 3 Possible | 4 Likely | 5 Almost Certain |
| Consequences | 5 Catastrophic | 5 Moderate | 10 High | 15 Extreme | 20 Extreme | 25 Extreme |
| | 4 Major | 4 Moderate | 8 High | 12 High | 16 Extreme | 20 Extreme |
| | 3 Moderate | 3 Low | 6 Moderate | 9 High | 12 High | 15 Extreme |
| | 2 Minor | 2 Low | 2 Moderate | 6 Moderate | 8 High | 10 High |
| | 1 Negligible | 1 Low | 2 Low | 3 Low | 4 Moderate | 5 Moderate |

Hierarchy of control

The Hierarchy of Control has been used in order to determine what our methods of control will be and the order in which they should be used in the case of any escalation or de-escalation of the current situation. Although called a hierarchy, actions and measures we take have been considered in totally in order to ensure that they are most effective when applied.

Steps to reopening school from 1 September 2020

Staffing - Hazards

Identified Hazard:

- The school has enough staff in order to effectively reopen from 1.9.20
- The school has all staff, including crucial staff, roles covered ie. DSL accessibility, paediatric first aider on site, site management
- Staff absence
- Some staff may not be able to attend work due to shielding, vulnerability, living with vulnerability issues
- Work overload, anxiety, bereavement and consequent negative affect on staff well-being may impact on attendance/provision
- Limited or slow access to testing if needed
- Staff are not aware of return to school arrangements
- Peripatetic staff in school increases risk

Links to guidance:

- **Section 1: Public Health Advice to Minimise Coronavirus (Covid-19) risks**
 - Prevention**
 - ❖ **1. Minimise contact with individuals who are unwell by ensuring that those who have Coronavirus (Covid-19) symptoms, or who have someone in their household who does, do not attend school**
 - ❖ **6. Minimise contact between individuals and maintain social distancing wherever possible**
 - ❖ **8. Engage with the NHS Test and Trace process**
 - ❖ **9. Manage confirmed cases of Coronavirus (Covid-19) amongst the school community**
 - ❖ **10. Contain any outbreak by following local health protection team advice**

(Actions for Schools During the Coronavirus Outbreak; Guidance for full school opening 2.7.20, updated 28.8.20)
- **Section 2: School Operations**
 - ❖ **School Workforce**
 - ❖ **Staff who are extremely clinically vulnerable**
 - ❖ **Staff who are clinically vulnerable**
 - ❖ **Staff who are pregnant**
 - ❖ **Staff who may otherwise be at increased risk from coronavirus (Covid-19)**
 - ❖ **Employer health and safety and equalities duties**
 - ❖ **Supporting Staff**
 - ❖ **Staff Deployment**
 - ❖ **Deploying support staff and accommodating visiting specialists**
 - ❖ **Recruitment**
 - ❖ **Supply teachers and other temporary or peripatetic teachers**
 - ❖ **Expectation and deployment of ITT trainees**
 - ❖ **Performance management and appraisal**
 - ❖ **Staff taking leave**
 - ❖ **Other support**
 - ❖ **Catering**

- ❖ ***Estates***
- ❖ ***Educational visits***
- ❖ ***Wraparound provision and extra curricular activity***

- ❖ ***Peripatetic teachers***
- ❖ ***Physical activity in schools***

| Potential Hazard | Key Questions | Hazard Severity and RAG before action | Control measures to reduce the risk | By whom | By when | RAG after action |
|---------------------|--|---------------------------------------|---|---------|---------|------------------|
| Sufficient staffing | Are all staff able and required to work from 1.9.20 onwards? | High 12 | <ul style="list-style-type: none"> - Nationally, most staff are expected to attend school (except those extremely clinically vulnerable advised specifically to stay at home by their medical care team) - For this school, all staff are expected to attend school - HT to inform staff about reopening procedures including risk assessments made for this - Follow up texts/phone calls for those who request advice about returning to work eg. childcare/shielding/ vulnerability/illness/anxiety - As per KCC guidance direct staff who are anxious and do not want to return to SPS human resources team - Any staff who have a holiday booked that involved quarantining on return and during term time are advised to find out if they can change the dates of their travel to allow quarantine during the school holiday period - If staff cannot change their holiday dates to avoid quarantining during the school term period, then they will be expected to work from home if possible or if not, to accept that this will be unpaid leave | LPS | 20.7.20 | Moderate 6 |
| | What are the options in case staffing arrangements cannot be maintained? | Moderate 6 | <ul style="list-style-type: none"> - Alternatives for the following roles if unavailable: <ul style="list-style-type: none"> ❖ DSL (phone contact at all times) ❖ Paediatric first aider (other first aid trained staff to be alert) ❖ HT (phone contact at all times/senior teacher in school) ❖ If staff members unable to be in school - reduce to one member of staff in class bubbles, use HT or PT teacher to cover classes as needed ❖ Breakfast Club staffing reduced temporarily to one ❖ Site staff to cover each other | LPS | 16.7.20 | Low 3 |

| | | | | | | |
|------------------------------------|---|------------|---|-----------|---------|------------|
| | Are staff aware of the need to be flexible about starting/finishing times to allow for staggering of entry to school? | Low 2 | <ul style="list-style-type: none"> - HT to confirm new starting/finishing times with staff - Allow staff time to seek advice or discuss if this proves difficult | LPS | 20.7.20 | Low 2 |
| | How will staff workload be kept reasonable given the requirement to teach and provide home schooling support? | Moderate 6 | <ul style="list-style-type: none"> - Pre-prepared home learning packs to be made ready for each class during the Summer holiday break - Online remote learning training to be undertaken by staff through the DfE's EdTech programme - Plans for online remote learning to be considered and in place by beginning of the Autumn term - PT intervention teacher/HT and TAs to be used to provide home learning preparation and support as necessary | LPS | 1.9.20 | Low 3 |
| | How will staff receive their PPA entitlement? | Low 3 | <ul style="list-style-type: none"> - TAs and teachers in EYFS/KS1 bubble - TAs and PT intervention teacher (music) to cover classes to allow teachers to have PPA in KS2 - Staff to use staff room for PPA, classroom (if conducive to good working conditions) or to undertake PPA at home - In the event of full school/bubble closure and remote learning taking place, staff will take PPA on Friday afternoons and parents will be directed to seek resources appropriate to their child from Oak National Academy or from BBC Bitesize or similar resources | LPS | 1.9.20 | Low 2 |
| | Will staff need to attend staff meetings or development days? | Low 2 | <ul style="list-style-type: none"> - Staff meetings and development days to follow social distancing measures - Use of hall rather than class bubbles - Cleaning before and after meeting to happen - As far as possible, online staff meetings/development days to be used | LPS | 1.9.20 | Low 2 |
| | Will annual leave arrangements be affected? | Low 3 | <ul style="list-style-type: none"> - Staff who have not taken their annual leave entitlement due to COVID-19 will be able to carry 4 weeks unused leave over the next 2 years but they will continue to be encouraged to take this in school holiday time as far as possible so long as it fits with school priorities | LPS | 16.7.20 | Low 1 |
| Unlimited staff access to building | What are the arrangements for staff to be in school for preparation prior to full school reopening and for new terms? | Moderate 2 | <ul style="list-style-type: none"> - Prepare school for full opening on SDD 22.7.20 as much as possible - Discuss with staff the need to socially distance and follow hygiene measures if visiting school during school holiday periods | All staff | 20.7.20 | Low 2 |
| Illness | What will happen if a member of staff falls ill (NOT | High 9 | <ul style="list-style-type: none"> - Reduce to one staff member in class bubble - Use HT/PT teacher as 'on call' as needed - Office Manager to be covered by HT if necessary | All staff | 1.9.20 | Moderate 6 |

| | | | | | | |
|--|---|---------|--|-----------|--------|---------------|
| | Covid-19 related)? | | <ul style="list-style-type: none"> - HT to be covered by senior teacher - Breakfast Club staff to reduce to one - Site staff to cover each other | | | |
| | <p>What happens if a member of staff falls ill (Covid-19 related)?</p> <p>What happens if a member of staff has to manage a pupil who falls ill (Covid-19 related)?</p> | High 12 | <p><u>Advice for staff with symptoms:</u></p> <ul style="list-style-type: none"> - Anyone developing symptoms of high fever, persistent cough, anosmia (loss of, or change to, normal taste or smell) during the school day will be sent home and advised to follow 'stay at home' guidance for households with possible or confirmed Coronavirus infection - Anyone who develops symptoms at home MUST not come into school but stay at home to self isolate for ten days - Arrange to have a Coronavirus test - If it will significantly increase the likelihood of staff engaging with a Coronavirus/Covid-19 test, issue a home testing kit - Other members of their household should self-isolate for 14 days from when symptomatic person first showed symptoms - If contacted by NHS Test and Trace, engage with the process - Inform school of the outcome of any test - If <u>negative</u> and feeling well, return to school but if feeling unwell continue to stay at home until recovered - If <u>positive</u> self-isolate for at least 7 days or until high temperature ONLY abates (cough and anosmia can last beyond 7 days, up to several weeks) - Phone Public Health England on the DfE Helpline 0800 046 8687 and explain the circumstances and act on their advice <p><u>Advice for staff managing pupils with symptoms:</u></p> <ul style="list-style-type: none"> - Phone Public Health England on the DfE Helpline 0800 046 8687 and explain the circumstances and act on their advice - Isolate the symptomatic person in the cabin following government guidance regarding PPE and isolation procedures with a staff member from the class bubble - Staff member supporting the child must wear PPE – gloves, apron, face mask, glasses or goggles - If a child is symptomatic DO NOT leave them unattended - If the child deteriorates and a paediatric first aider is required call for assistance - Paediatric first aider must put on PPE prior to attending the isolation room - Refer to guidance which is on display in the cabin for what to do to care for the person and those providing support - Arrange for deep cleaning to take place - Arrange for testing of pupil to take place – seek information on how to do this via the school office - If advised, inform parents of the outbreak using PHE provided template letter - If advised, following contact with a symptomatic person, staff/pupils to self- | All staff | 1.9.20 | Moderate 6 |

| | | | | | | |
|--|--|--------|---|-----------|---------|------------|
| | | | <ul style="list-style-type: none"> isolate for 14 days - If tested, staff/parents should inform school of the result and continue to self-isolate even if negative - Complete necessary accident/incident forms through Kelsi link and RIDDOR Covid-19 link - If further suspected cases arise, continue to engage with PHE for advice | | | |
| | What should a member of staff who has supported a child with Coronavirus/Covid-19 symptoms do? | High 9 | <ul style="list-style-type: none"> - Wash hands thoroughly with soap and running water for 20 seconds and/or use hand sanitizer - Arrange for a thorough clean of the isolation room - Staff do not need to self-isolate unless they develop symptoms; if the child tests positive for Coronavirus/Covid-19 or if they have been requested to do so by NHS Test and Trace - If staff develop symptoms, they should arrange a test for Coronavirus/Covid-19 and self-isolate for 14 days if advised | All staff | 1.9.20 | Moderate 6 |
| | What will happen if staffing numbers fall eg. due to illness? | High 9 | <ul style="list-style-type: none"> - CT to lead the bubble if TA absent, temporary suspension of out of class time including PPA or training - One member of support staff will carry on leading the bubble for short periods of time if CT absent with support from HT/other teaching colleagues - Use PT teacher to cover illness if necessary on longer term basis - If no solution possible, close the bubble - HT and Office Manager to provide cover for each other if necessary - Breakfast Club staff to cover each other as much as possible or consider closing Breakfast Club provision until staffing resolved - HT and other staff to cover Site Manager as far as possible | LPS | 1.9.20 | Moderate 6 |
| Catering staffing | What are the arrangements for school dinners? | High 9 | <ul style="list-style-type: none"> - Keep contact with the catering company to ascertain provision at all times - Consider provided packed meals to reduce contact between staff/pupils - All KS1 pupils to be encouraged to have UIFSM packed lunches - If necessary for KS2 pupils, packed lunches from home - All meals, hot or cold, to be eaten in classrooms to allow for easy cleaning and social distancing during mealtimes | DH | 22.7.20 | Low 3 |
| Visitors who may have been in other settings | Will visiting staff or peripatetic teachers be in school? | High 9 | <ul style="list-style-type: none"> - Dancextreme teacher will visit weekly to work with groups of pupils in the school hall - Trumpet teacher can visit weekly for individual teaching sessions only - Surfaces that can be contaminated via air borne particles to be kept to a minimum in the rooms used by peripatetic teachers - Following visits from the two teachers listed, school staff to clean the surfaces in rooms used with disinfectant - A record of all visitor contacts to be kept in the school office in case required | LPS | 1.9.20 | Moderate 6 |
| | Will visiting specialists be in school? | High 9 | <ul style="list-style-type: none"> - Visitors to attend by appointment only - Where visits can take place after normal school hours, they should - Guidance for attending school to be given to visitors at the time appointment is booked - A record of all visitor contacts to be kept in the school office in case required | LPS | 1.9.20 | Low 3 |

| | | | | | | |
|--|---|--------|---|-----|--------|-------|
| | Can we use volunteers to assist in school? | High 9 | <ul style="list-style-type: none"> - Volunteers must be risk assessed prior to use in school - Volunteers must not mix across the bubbles - They should maintain a 2m social distance with staff/pupils - If any doubt, school will not use volunteers | LPS | 1.9.20 | Low 3 |
| | Can the school engage with Initial Teacher Training programmes? | High 9 | <ul style="list-style-type: none"> - Schools are strongly encouraged to continue to engage with ITT programmes - Advice given to students on placement, that they will be expected to follow, will be the same as for permanent staff - HT to update the Student and Volunteer Handbook in light of Coronavirus/Covid-19 accordingly | LPS | 1.9.20 | Low 3 |

Pupil Hazards

Identified Hazards:

- ❖ Grouping of pupils does not inhibit virus spread
- ❖ Contact between groups is routinely allowed
- ❖ Classroom layout and organisation is not conducive to limiting virus spread
- ❖ Illness of/accident to child
- ❖ Illness of/accident to adult
- ❖ Suspected or confirmed case of Covid-19 in school

Links to guidance:

- ❖ **Section 1: Public Health Advice to Minimise Coronavirus (Covid-19) risks**
Prevention
- ❖ **1: Minimise contact with individuals who are unwell by ensuring that those who have coronavirus (Covid-19) symptoms, or who have someone in their household who does, do not attend school**
- ❖ **6: Minimise contact between individuals and maintain social distancing wherever possible**
- ❖ **8: Engage with the NHS Test and Trace process**
- ❖ **9. Manage confirmed cases of Coronavirus (Covid-19) amongst the school community**
- ❖ **10. Contain any outbreak by following local health protection team advice**
(Actions for Schools During the Coronavirus Outbreak; Guidance for full school opening 2.7.20, updated 28.8.20)

- ❖ **Section 2: School Operations**
- ❖ **Attendance**
- ❖ **Pupils who are shielding or self-isolating**
(Actions for Schools During the Coronavirus Outbreak; Guidance for full school opening 2.7.20)

| Potential Hazard | Key Questions | Hazard Severity and RAG before action | Control measures to reduce the risk | By whom | By when | RAG after action |
|----------------------|----------------------------------|---------------------------------------|--|---------|---------|------------------|
| Interrupted learning | Should all pupils attend school? | High 12 | <ul style="list-style-type: none"> - Schools attendance is mandatory again from the beginning of the Autumn term - Reassurances of school's approach to full opening and keeping children safe to be shared in letters prior to beginning of Autumn term - Staff to talk to reluctant or anxious parents - Office staff to follow up on absence as per first day calling procedures - HT to seek advice regarding persistent or frequent absence - Exception to mandatory attendance only pupils who are advised to continue | LPS | 20.7.20 | Moderate 6 |

| | | | | | | |
|--|--|------------|--|------------------|---------|------------|
| | | | <p>to shield by medical specialists/GP (letter to be viewed by school) or those who have developed Covid-19 symptoms</p> <ul style="list-style-type: none"> - Where pupils unable to attend school due to clinical or public health advice, absence will not be penalised - Remote learning to be in place for any pupils who cannot access school | | | |
| High temperature symptoms | Should we routinely take pupils' temperatures in order to screen them for possible Coronavirus/Covid-19? | Moderate 2 | <ul style="list-style-type: none"> - PHE is clear that routinely taking the temperature of pupils is not recommended as this is an unreliable method of identifying Coronavirus/Covid-19 - Follow guidance below for 'Illness – What will happen if a pupil falls ill (Coronavirus/Covid-19 related)? | | | Moderate 2 |
| Crowded/chaotic classroom organisation | Has classroom layout been considered to ensure social distancing as much as possible? | Moderate 6 | <ul style="list-style-type: none"> - New furniture layout in place in all classrooms - Excess furniture removed - Front facing desks or polycarbonate barriers in use - Reminders of social distancing rules displayed in classrooms | LPS | 22.7.20 | Moderate 2 |
| | Have classrooms been stocked and prepared by teachers for reopening? | Moderate 2 | <ul style="list-style-type: none"> - Resources and equipment for shared use prepared - Individual packs of equipment prepared | Teachers TAs | 1.9.20 | Low 1 |
| Illness | What will happen if a pupil falls ill (NOT Covid-19 related)? | Low 3 | <ul style="list-style-type: none"> - Requirement that people who are ill stay at home - Follow 48 hour directive for stomach upsets with D&V - Class teacher to make decision about whether a child in their class should be removed from class to isolation room ready for home collection - HT to approve any decision to send a child home | LPS Teachers TAs | 1.9.20 | Low 3 |
| | What will happen if a pupil falls ill (Covid-19 related)? | High 12 | <p><u>General advice:</u></p> <ul style="list-style-type: none"> - Anyone developing symptoms of high fever, persistent cough, anosmia (loss of, or change to, normal taste or smell) during the school day will be sent home and advised to follow 'stay at home' guidance for households with possible or confirmed Coronavirus infection - Self-isolate for at least 10 days - Arrange to have a Coronavirus test - Other members of their household should self-isolate for 14 days from when symptomatic person first showed symptoms - Pupils who are ill stay at home - Complete necessary accident/incident forms though Kelsi link and RIDDOR Covid-19 link | LPS Teachers TAs | 1.9.20 | Moderate 6 |

| | | | | | | |
|-------------------------------------|---|------------|--|----------------|---------|-------|
| | | | <ul style="list-style-type: none"> - <u>Specific advice for setting:</u> - <i>If child is awaiting collection:</i> - Isolate the symptomatic person in the cabin with door closed but windows open for ventilation following government guidance regarding PPE and isolation procedures with a staff member from the class bubble - Staff member supporting the child <u>must</u> wear PPE – gloves, apron, face mask, glasses or goggles - If a child is symptomatic DO NOT leave them unattended - If the child deteriorates and a paediatric first aider is required call for assistance - Paediatric first aider must put on PPE prior to attending the isolation room - If the child is seriously ill or injured and their life is at risk, call 999; do not visit the GP, urgent care centre, hospital or pharmacy. - If the child needs to go to the toilet whilst waiting to be collected, the toilet facilities should be cleaned and disinfected using standard cleaning products before being used by anyone else. - Phone Public Health England and explain the circumstances using the numbers for the Kent health protection team provided at the end of this document below - Take guidance from PHE/LA on wider school opening implications and on how to proceed, including how to inform other members of the school community - Arrange for deep cleaning to take place | | | |
| | Do we have enough PPE to cover child related illness? | Moderate 2 | <ul style="list-style-type: none"> - Office and site management staff to ensure adequate stocks of the following: <ul style="list-style-type: none"> ❖ disposable gloves ❖ plastic aprons ❖ face coverings ❖ face shields | DH GS TD | 16.7.20 | Low 1 |
| School uniform causing virus spread | Should pupils wear normal school uniform | Low 2 | <ul style="list-style-type: none"> - School uniform policy resumed from beginning of Autumn term 2020 - HT to inform parents via letter - Parents asked to be more vigilant than usual regarding changing and washing | LPS | 1.9.20 | Low 1 |

Estates and Distancing Hazards

Identified Hazards:

- Non-compliant premises with regard to H&S requirements
- Emergency situation requiring evacuation of the buildings or site
- Emergency evacuation procedures are not clear or understood
- Staff, pupils and parents/carers unaware of the requirement to socially distance
- Working space does not conform to social distance guidance
- Increased staff having access to social bubbles
- Routes into and out of school do not allow for social distancing to occur
- Unlimited visitor, staff and pupil access to the buildings and/or site
- Classroom preparation and organisation is not conducive to reducing the risk of virus spread
- Waste management is not conducive to preventing virus spread

Links to guidance:

- **Section 1: Public Health Advice to Minimise Coronavirus (Covid-19) risks**

Prevention

❖ ***4. Ensure good respiratory hygiene by promoting the 'catch it, bin it, kill it' approach***

❖ ***5. Introduce enhanced cleaning, including cleaning frequently touched surfaces often using standard products, such as detergents and bleach***

❖ ***6. Minimize contact between individuals and maintain social distancing wherever possible***

'Schools must do everything possible to minimise contacts and mixing while delivering a broad and balanced curriculum. . . . The overarching principle is to apply is reducing the number of contacts between children and staff.'

'Consistent groups reduce the risk of transmission by limiting the numbers of pupils and staff in contact with each other to only those in the group. They have been used in schools in the summer term in recognition that children, and especially the youngest children, cannot socially distance from staff or from each other and this provides an additional protective measure.'

'Both the approaches of separating groups and maintaining distance are not 'all-or-nothing' options, and will string bring benefits even if implemented partially.'

'Schools should consider how to communicate this [length of school day] and remind them about the process that has been agreed for drop off and collection, including that gathering at the school gates and otherwise coming into school without an appointment is not allowed.'

| | collection time? | | | TAs | | |
| | Can children use the school minibus? | Moderate 6 | <ul style="list-style-type: none"> - For dedicated school transport, social distancing measures are not applicable - Use of the minibus must be in line with school bubble organisation - Pupils/staff must wash hands prior to embarking/after disembarking - Where possible distancing should be practised - School to take account of specific guidance to follow (as of 7.7.20) | All staff | 1.9.20 | Low 3 |
| Face to face contact | How should teachers organise desks and seating? | Moderate 6 | <ul style="list-style-type: none"> - Pupils and desks to be arranged so they are all facing forwards or that they have polycarbonate barriers where pupils face one another - 2x pupils per desk - No activities in groups or circles indoors where 1m+ distancing cannot be achieved - Outdoor extended circles on the playground or field can be used - Unnecessary furniture to be moved out of the classroom and stored in the hall or elsewhere in school sheds | Teachers TAs GS | 22.7.20 | Low 3 |
| | How should teachers address whole classes, groups and individuals? | Moderate 6 | <ul style="list-style-type: none"> - Staff should maintain 2m distance from other adults and, if possible, from pupils - Staff teaching whole classes should address pupils from the front of the class - Staff teaching groups should sit at the end of a row of pupils, facing the same direction, rather than around a table or in a circular group - Staff should sit side by side with individual pupils rather than face to face across desks - Staff to provide feedback and marking but whilst behind the pupils (looking over the pupil's shoulder) or side by side - Staff can use circles with 2m distancing for larger group activities outdoors | Teachers TAs | 1.9.20 | Low 3 |
| Mixed group or larger gatherings | Will face to face meetings be possible prior to full school reopening in September? | Moderate 6 | <ul style="list-style-type: none"> - Prior to return to school in September, arrange socially distanced face to face meetings with pupils in class groups to 'touch base' with staff and peers - end of Term 6 - Face to face meeting to take place outdoors if weather clement/cancel if weather is not; all sit in circle; 2m distances marked; engage in discussion about positive experiences and light games; bring own picnic from home - | LPS Teachers TAs | 17.7.20 | Low 3 |
| | Will breakfast club be available for pupils who attend school? | Moderate 6 | <ul style="list-style-type: none"> - Breakfast Club will reopen at the beginning of the Autumn Term - 2x separate bubbles will operate – 1x EYFS and KS1, 1x KS2 with social distancing between the two bubbles - 1x member of staff to supervise each bubble - Zoning of hall for the two bubbles to ensure 2m social distancing - 2x tables for eating - Breakfast Club staff to ensure that cleaning of any areas and resources used takes place before the end of each session, including frequently touched surfaces such as tables, doors, taps, toilet doors and flushes | LPS MD KS | 1.9.20 | Low 3 |

| | | | | | | |
|----------------------|--|------------|---|------------------------------------|--------|-------|
| | Will after school clubs be available for pupils? | Low 2 | - In order to allow for learning catch up, staff will not be providing extra-curricular after school clubs in the Autumn terms | Teachers TAs | 1.9.20 | Low 1 |
| | Can assemblies, performances, productions, services, etc take place? | Low 2 | - Assemblies and other large group gatherings cancelled for Autumn Term - Staff to do class based assemblies, focussing on themes that arise from their pupils or are relevant to them at the current time - Whole school achievement assembly online weekly | Teachers TAs | 1.9.20 | Low 1 |
| | What are the arrangements for school dinners? | High 9 | - Keep contact with catering company to ascertain provision - All KS1 pupils to be encouraged to have UIFSM packed lunches - All meals, hot or cold, to be eaten in classrooms to allow for easy cleaning and social distancing during mealtimes - If necessary, revert to packed lunches eg. in times of full school closure except for children of critical workers or vulnerable pupils | LPS MD KS Teachers TAs | 1.9.20 | Low 3 |
| Fixed play equipment | Is equipment in good order following a period where it has not been used? | High 12 | - Site Manager to check condition thoroughly prior to use paying particular attention to areas that might have been affected by lack of use and weathering such as swing mechanisms/bolts/wobble boards - Reinstate daily visual checks - Reinstate weekly thorough checks and record keeping | LPS Teachers TAs GS | 1.2.21 | Low 3 |
| | What measures are in place to ensure social distancing between users? | Moderate 6 | - Visual signs/reminders to be located at beginning and end of trim trail - Staff observation and supervision at all times - Impose one way system for use | LPS Teachers TAs GS | 1.2.21 | Low 2 |
| | What can be done to mitigate against virus transmission if social distancing is difficult? | Moderate 6 | - Staff to clean smooth surfaces after use with anti-bacterial spray and wipes eg. metal handles and bars - Hand washing after use and always before returning to indoor classrooms - Reminders not to put face/mouths onto surfaces | LPS Teachers TAs GS | 1.2.21 | Low 2 |

Health, Safety and Hygiene Hazards

Identified Hazards:

- Staff, pupils and parent/carers are not aware of/engage in good hygiene practices
- Hand hygiene procedures are not robust
- Respiratory hygiene procedures are not robust
- Cleaning arrangements are not sufficient or adequate to prevent or manage a Covid-19 case
- Cleaning and caretaking supplies are inadequate
- Inappropriate use and disposal of PPE
- Waste management is not conducive to preventing virus spread
- Illness of/accident to child
- Illness of/accident to adult
- Suspected or confirmed case of Covid-19 in school

Links to guidance:

- **Section 1: Public Health Advice to Minimise Coronavirus (Covid-19) risks**
 - Prevention***
 - ❖ ***2. Where recommended, use of face coverings in schools***
 - ❖ ***3. Clean hands thoroughly more often than usual.***
 - ❖ *Coronavirus (Covid-19) is an easy virus to kill when it is on skin. This can be done with soap and running water or hand sanitizer.*
 - ❖ ***4. Ensure good respiratory hygiene by promoting the 'catch it, bin it, kill it' approach***
 - ❖ ***5. Introduce enhanced cleaning, including cleaning frequently touched surfaces often using standard products, such as detergents and bleach***
 - ❖ ***7. Where necessary, wear appropriate personal protective equipment (PPE)***

| Potential Hazard | Key Questions | Hazard Severity and RAG before action | Control measures to reduce the risk | By whom | By when | RAG after action |
|--------------------------|---|---------------------------------------|---|---------|---------|------------------|
| Contact infection spread | Are pupils and staff able to access facilities to hand wash frequently and know how to do this to maximum effect? | High 9 | <ul style="list-style-type: none"> - Handwashing facilities to be shared with staff and pupils: YR/1 classroom – KS1 toilet block Y1/2 classroom – KS1 toilet block Y3/4 classroom – hall toilet block Y5/6 classroom – classroom sink - Hand washing reminders to be displayed next to hand washing facilities - Wash hands at a minimum at the following times during the day: On arrival at school in the morning Before eating fruit snacks After break time Before eating lunch After lunch time break On return to class after lessons outdoors or in the hall - Staff to supervise pupils hand washing in order to ensure maximum effectiveness - Pupils should not use hand sanitizer because of risks associated with ingestion and appropriate and effective application - Staff use of hand sanitizer should be thorough, ensuring application to all parts of the hand, if used at any time instead of hand washing | LPS | 1.9.20 | Moderate 6 |
| | Should staff wear PPE all of the time eg. gloves, aprons, face coverings? | Low 3 | <ul style="list-style-type: none"> - PPE is not required in the school setting unless there is a suspected case of Coronavirus/Covid-19 and the person is symptomatic or in the case of providing routine intimate care for pupils - Summary of the guidance on the use of PPE to be circulated to all staff prior to the start of the Autumn term - Any staff who feel anxious about not wearing PPE to be encouraged to talk to HT and individual agreement reached; staff can wear PPE including face coverings if they wish to; staff organising drop off and collection of children at the beginning and end of the day or meeting with visitors to the school MUST wear face coverings from 2.11.20 - School to purchase and provide disposable gloves, aprons and face coverings in case required by staff - Full recommended PPE for Covid-19 suspected cases to be used – gloves, aprons, face coverings - PHE posters about how to safely use and dispose of PPE to be displayed and given to all staff | LPS | 1.9.20 | Low 2 |
| | Can pupils or staff wear face | Low 3 | <ul style="list-style-type: none"> - Pupils should not wear face coverings in school but those who have used public transport may have face coverings with them on arrival | LPS | 1.9.20 | Low 1 |

| | | | | | |
|---|------------|---|------------------------|--------|------------|
| coverings in school? | | <ul style="list-style-type: none"> - Communicate that face coverings cannot be used in school in writing to parents/staff prior to beginning of Autumn term - If pupils/staff come into school with face coverings, they must be removed and placed in a plastic bag, which is then sealed, and kept in school office until the end of the day - Pupils/staff must not touch the front of the face covering during use or when removing them - Pupils/staff must wash hands thoroughly prior to removing face coverings and again once face covering is removed - Staff can wear PPE including face coverings if they wish to; staff organising drop off and collection of children at the beginning and end of the day or meeting with visitors to the school MUST wear face coverings from 2.11.20 | | | |
| Will pupils have unlimited access to equipment and resources? | Moderate 6 | <ul style="list-style-type: none"> - Individual and frequently used resources such as pencils, glue sticks, scissors, rulers, etc. to be placed in individual zippy bags for pupils to use - Classroom based resources such as books, games, counting equipment, toys etc. to be shared only within the class bubble and cleaned after use daily and allowed to dry overnight - Resources shared between bubble groups such as PE equipment or science equipment to be cleaned after use or rotated to allow them to be left unused or out of reach for 72 hours for plastics, 48 hours for all other products | Teachers TAs | 1.9.20 | Moderate 2 |
| What will happen with regard to cleaning of shared equipment and resources used during the day? | Moderate 6 | <ul style="list-style-type: none"> - Classroom based staff to wash resources and equipment used daily in hot soapy water and leave to drain and dry overnight - Teaching staff to consider having a rota of resources to allow for reduced usage (72 hours quarantine of resources for plastics, 48 hours for all other products) | Teachers TAs | 1.9.20 | Moderate 2 |
| Can pupils bring equipment and resources into school from home? | Moderate 6 | <ul style="list-style-type: none"> - Pupils may only bring the following into school – coat, hat or cap, lunchbox if necessary, book bag or school bag (gloves, hat and scarf can be added as weather deteriorates during Autumn term) - Staff to check regularly that book bags and school bags do not contain other items | LPS Teachers TAs | 1.9.20 | Moderate 2 |
| Can children take home reading books? | Moderate 6 | <ul style="list-style-type: none"> - Reading books can go home but must be cleaned or stored for 48/72 hours on return to school | LPS Teachers TAs | 1.9.20 | Moderate 2 |
| Are pupils able to access hand washing facilities and know how to do this to maximum effect? | | <ul style="list-style-type: none"> - Handwashing routine and places shared with staff and pupils <ul style="list-style-type: none"> ❖ EYFS/KS1 classroom – KS1 toilet block ❖ Y3/4 classroom – hall toilet block/mobile hand washing stations in all ❖ Y5/6 classroom – classroom//mobile hand washing stations in all | LPS Teachers TAs | 1.9.20 | |

| | | | | | | |
|----------------------------------|--|------------|---|-----------------------|---------|------------|
| | | | <ul style="list-style-type: none"> - Hand washing signage in place near sinks - Staff to share information about good hand washing routines with children at beginning of Autumn term | | | |
| | What should staff do in staff kitchens? | High 9 | <ul style="list-style-type: none"> - Staff should wash all cutlery, crockery and other belongings immediately after use in hot soapy water before leaving to drain dry - Staff must not congregate in kitchens/staff room where social distancing cannot be maintained | All staff | 16.7.20 | Moderate 2 |
| | How will pupils access water for drinking? | Moderate 2 | <ul style="list-style-type: none"> - Parents will be asked to provide pupils with a named water bottle daily - Where children forget cups of water will be provided and washed in hot, soapy water immediately after a drink has been consumed | Teachers TAs | 1.9.20 | Low 2 |
| | What do we do about pupils who need medication administering? | Moderate 2 | <ul style="list-style-type: none"> - Medication to be kept in the school office as per usual systems - Staff to ensure medication forms received prior to accepting medication for pupils - Generic painkillers and anti-histamines to be available in school office – procedure for checking with parents prior to administering as usual - Asthma inhalers accessible in the child's bubble classroom | DH Teachers TAs | 1.9.20 | Low 2 |
| Respiratory infection spread | How can we reduce air borne transmission from coughs and sneezes? | High 9 | <ul style="list-style-type: none"> - Ensure school has good supplies of tissues and lidded bins (one per classroom) - Teach pupils about the 'catch it, bin it, kill it' approach - Display reminders about what to do with regard to coughs and sneezes in every classroom and pupil toilet facilities - Encourage pupils to wash hands after coughing and sneezing - Ensure good ventilation in rooms by opening windows/doors as much as possible - Use of outdoor environment as much as possible | Teachers TAs | 1.9.20 | Moderate 2 |
| | How should intervention sessions be organised? | High 9 | <ul style="list-style-type: none"> - Staff and pupils to sit side by side during teaching sessions, no face to face seating - Staff should try to maintain distancing if at all possible from individual pupils or small groups - Intervention teachers and TAs should call children to their groups using the intercom system or from the classroom door rather than entering class bubbles | Teachers TAs | 1.9.20 | Moderate 2 |
| | Should pupils and staff wear face coverings? | Moderate 6 | <ul style="list-style-type: none"> - PHE do not currently recommend face coverings in school - Staff may wear face coverings if they wish to (amended 27.8.20) | LPS | 1.9.20 | Moderate 2 |
| Cleaning routines and procedures | What will happen with regard to enhanced cleaning of the school environment? | High 9 | <ul style="list-style-type: none"> - Any equipment, resources and furniture that are not needed to be removed and stored in the hall - All surfaces to be free from clutter to allow for easy cleaning - Tick sheets to highlight what needs cleaning and when to be visible and in place in each room - TD and GS to ensure cleaning of frequently touched surfaces 2x per | LPS GS TD | 1.9.20 | Moderate 2 |

| | | | | | | |
|------------------|---|------------|--|-----------------|---------|------------|
| | | | <ul style="list-style-type: none"> day ie. toilet flush, door handles, light switches, entry buttons - Classroom based staff to support cleaners by wiping down surfaces with spray antibacterial cleaner during the day, particularly after coughs and sneezes, and after pupils have gone home - Particular focus on surfaces that are touched by multiple people such as photocopiers, door handles, table/counter tops, computers including mouse and keyboard, light switches, telephones, chairs, shared learning resources or toys, specialist equipment for SEND pupils, toilets and toilet handles, sinks, taps and other areas touched regularly - Cleaning staff to wear washing up style gloves and aprons | | | |
| | What will happen with regard to cleaning of shared equipment and resources used during the day? | Moderate 6 | <ul style="list-style-type: none"> - Classroom based staff to wash resources and equipment in hot soapy water and leave to drain and dry overnight - Teaching staff to consider having a rota of resources to allow for reduced usage (48 hours quarantine for non-plastics, 72 hours for plastics) - No shared resources that can be put to the mouth eg. musical instruments | Teachers TAs | 1.9.20 | Moderate 2 |
| | Do we have sufficient products to allow for enhanced cleaning? | Moderate 2 | <ul style="list-style-type: none"> - Stock order prior to lockdown ensures enough products are in school - As a contingency, additional stock to be purchased prior to full school opening in September 2020 | GS TD DH | 16.7.20 | Low 2 |
| | Are cleaning products safely stored? | High 12 | <ul style="list-style-type: none"> - Staff to be reminded of safe storage of chemicals procedures | GS TD LPS | 16.7.20 | Moderate 6 |
| | What will happen if a deep clean is needed? | High 12 | <ul style="list-style-type: none"> - Contact client.services@kent.gov.uk to request a bespoke service at additional cost to the school | LPS GS TD | 16.7.20 | Moderate 6 |
| | Are refuse facilities conducive to reducing germ spread? | Moderate 6 | <ul style="list-style-type: none"> - Purchase lidded bins for each classroom - Teach children how to use these properly - Signage to support children in how to use bins properly | LPS GS TD | 1.9.20 | Low 3 |
| Poor ventilation | Are there good ventilation arrangements in place in all rooms? | Moderate 6 | <ul style="list-style-type: none"> - Windows and external doors to be left open as much as possible - Fire doors to be closed when the room is exited by all or unoccupied for any length of time to comply with fire safety requirements | GS All staff | 16.7.20 | Moderate 2 |
| Well being | Have we procedures in place to check on staff well being? | High 9 | <ul style="list-style-type: none"> - Encourage open approach so that staff feel able to communicate any concerns - Senior staff to check on staff well being regularly (at least once a week – liaise about who will do this and when) - Encourage staff to take regular breaks, including outdoor time for | LPS Govs | 1.9.20 | Moderate 6 |

| | | | | | | |
|-----------|---|------------|---|--|---------|------------|
| | | | <ul style="list-style-type: none"> access to fresh air Governors to check with leaders that staff are well and coping Identify support mechanisms in case required – Staff Care Services 03000411411/Employee Assistance Programme (Counselling) | | | |
| | Have we procedures in place to check on pupil well being? | High 9 | <ul style="list-style-type: none"> Prior to return to school in September, arrange socially distanced face to face meetings with pupils in class groups to 'touch base' with staff and peers - end of Term 6 Face to face meeting to take place outdoors if weather clement/cancel if weather is not; all sit in circle; 2m distances marked; engage in discussion about positive experiences and light games; bring own picnic from home Easy and relaxed reintegration into school in terms of learning Opportunities for whole class circle time – outdoors where possible, 2m distancing One to one questions to be addressed openly and honestly and with sensitivity – as usual procedures Opportunities for time out from the curriculum through activities such as mindfulness colouring, yoga, circle time games, outdoor play etc. Referrals to outside support agencies if needed | LPS Teachers TAs | 16.7.20 | Moderate 6 |
| | What is a member of staff or pupil has had a bereavement of a family member, colleague or close friend? | High 9 | <ul style="list-style-type: none"> Offer in house support For staff consider referral to the Employee Assistance Programme (Counselling) For pupils consider advice from Early Help, KEPS or CHATTS counselling service If the whole school is affected seek advice from Staff Care Services and/or KEPS for advice and/or purchase of a direct support package | LPS Teachers TAs | 1.9.20 | Moderate 6 |
| | Have we put procedures in place to deal with an emergency situation eg. fire? | Extreme 15 | <ul style="list-style-type: none"> Emergency evacuation practise in first month of return to ensure everyone knows what to do in an emergency In response to this, make necessary changes to procedures | LPS GS DH | 1.9.20 | Low 3 |
| First Aid | How do we approach general first aid or Covid-19 related issues? | High 12 | <ul style="list-style-type: none"> First aid should be carried out where possible in the area the child is being educated and by an adult in that 'bubble' First aid boxes in the classrooms; checked for stock every two weeks Each class to have their own First Aid forms which should be brought to the office at the end of each day for the Office Manager to file Where a child needs to go home the HT should be contacted to confirm First Aiders should try to socially distance as much as is physically possible When dealing with first aid, approach from the side of the child, rather than in front as much as is possible Gloves should be worn, as should a mask and apron for any Covid-19 | LPS All first aid trained staff SB KC | 16.7.20 | Moderate 6 |

| | | | | | | |
|--|--|---------|---|--------------------------|-------------------------|--------|
| | | | symptomatic people - Before putting any PPE on staff must wash hands - All PPE must be double wrapped in plastic bags and stored for 72 hours in shed before being disposed of in outdoor bins | | | |
| Rising infection levels in the local or national community | What are the processes if there is a local or national lockdown causing further school closures? | High 12 | - School will act on advice from PHE health protection team or according to government directives - School will continue to provide for critical worker's children or vulnerable pupils on a staff rota - Remote learning will take place via SeeSaw following staff training in September 2020/January 2021 - Home learning packs will be sent home by post for those who cannot access online learning links | LPS Govs All staff | As required at any time | High 9 |

Communication Hazard

Identified Hazards:

- Unlimited access by parents/carers/visitors to the school buildings
- New parents and children do not understand entry to school procedures
- Poor communication systems leading to frustration
- Lack of engagement with Coronavirus/Covid-19 procedures such as NHS Test and Trace

Links to guidance:

- **Section 1: Public Health Advice to Minimise Coronavirus (Covid-19) risks**

Prevention:

❖ **6. Minimise contact between individuals and maintain social distancing wherever possible**

❖ **8. Engage with the NHS Test and Trace process**

(Actions for Schools During the Coronavirus Outbreak; Guidance for full school opening 2.7.20, updated 28.7.20)

| Potential Hazard | Key Questions | Hazard Severity and RAG before action | Control measures to reduce the risk | By whom | By when | RAG after action |
|--|--|---------------------------------------|---|-----------|---------|------------------|
| Guidance and procedures for suspected cases is not accurately followed | Are staff aware of how to access NHS Test and Trace systems? | High 12 | <ul style="list-style-type: none"> - HT to disseminate advice about NHS Test and Trace procedures to all staff - All classrooms to have and display a copy of this advice for easy access | LPS | 1.9.20 | Moderate 6 |
| Unnecessary visitors to school site | Will parents be able to go to the school office or classroom as usual? | Moderate 6 | <ul style="list-style-type: none"> - All visitors to the school site must have an appointment - No parents beyond school gate - All communications via telephone/email - Extraordinary and rarely occurring communications of a sensitive nature that necessitate face to face meeting eg. safeguarding concerns, may take place outdoors whilst maintaining 2m social distancing rules if needed or indoors whilst wearing face coverings and maintaining 2m social distancing rules | LPS DH | 1.9.20 | Moderate 2 |
| | Do we have a system for communicating with parents beyond face to face meetings? | Moderate 2 | <ul style="list-style-type: none"> - Home Connect to send letters and emails - Telephone contact to office/HT and through this to teachers - Seesaw | LPS | 1.9.20 | Low 1 |

| | | | | | | |
|--|---|---------------|--|-------------------|--------|-------|
| | Are all visitors to the school site aware of protocols for visiting the school? | Moderate 2 | <ul style="list-style-type: none"> - Clear signage to ask visitors to telephone office - No visitors to enter the building without prior agreed appointment - Social distancing rules to be followed at all times and communicated prior to entry to school at the time the appointment is made | LPS DH | 1.9.20 | Low 1 |
| | Will staff/governor meetings take place? | Moderate 6 | <ul style="list-style-type: none"> - Staff meetings and governor meetings will take place as and when required via Zoom - If it is considered safe to meet in person, then social distancing and good hygiene practises must be observed | LPS Govs SQ | 1.9.20 | Low 2 |

Policy and Procedure Hazards

Identified Hazards:

- Staff/parents/pupils are not aware of return to school arrangements
- Safeguarding protocols and procedures are not robust, known, understood and followed
- Lack of engagement with Coronavirus/Covid-19 procedures such as NHS Test and Track

Links to guidance:

- **Section 1: Public Health Advice to Minimise Coronavirus (Covid-19) risks**
Prevention:
 - ❖ **6. Minimise contact between individuals and maintain social distancing wherever possible**
 - ❖ **8. Engage with the NHS Test and Trace process**

- **Section 2: School operations**
 - ❖ **Attendance**
 - ❖ **Estates**
 - ❖ **Safeguarding**
- **Section 3: Curriculum, behaviour and pastoral support**
 - ❖ **Behaviour expectations**
 (Actions for Schools During the Coronavirus Outbreak; Guidance for full school opening 2.7.20, updated 28.3.20)

| Potential Hazard | Key Questions | Hazard Severity and RAG before action | Control measures to reduce the risk | By whom | By when | RAG after action |
|---|---|---------------------------------------|---|-------------|---------|------------------|
| Safeguarding and child protection matters | Have safeguarding policies and procedures been updated to cover pupils who are not attending? | High 12 | Add LA template addendum for full school return to Safeguarding Policy Ratify with governing board Ensure that Safeguarding and Child Protection policy is updated, shared and ratified by the FGB in line with Local Authority revisions Ensure DSL is always contactable by phone or on site Check that staff have access to relevant phone numbers, including when working from home | LPS Govs | 22.7.20 | Moderate 6 |
| Health and Safety matters | Does the Health and Safety Policy reference Coronavirus/Covid- | Extreme 15 | - H&S Policy to be updated before beginning of Autumn term using national guidance and Kent template | LPS Govs | 1.9.20 | |

| | | | | | | |
|---|---|---------|---|--------------|---------|------------|
| | 19 responses? | | | | | |
| First aid matters | Does the First Aid Policy reference Coronavirus/Covid-19 responses? | High 12 | - Addendum added in Summer Term 2020 to cover Coronavirus/Covid-19 | LPS Govs | 16.7.20 | Low 3 |
| Behaviour and discipline issues | Has the school put in place any behaviour policies and procedures linked to school reopening organisation, health and hygiene, etc? | High 9 | - Teaching staff to agree what rules will be communicated with pupils when school reopens - Teachers to organise work around the new rules for school in the first week of return - Individual support to be given to pupils who exhibit challenging, unsafe or oppositional behaviour - Where pupils persistently or deliberately lack compliance with the policies and procedures an individual risk assessment and behaviour plan will be drawn up in the first instance | LPS Teachers | 1.9.20 | Moderate 6 |
| | What happens if a pupil becomes too challenging/difficult to manage safely in school for themselves or other pupils/staff? | High 9 | - School Behaviour and Discipline Policy applies | LPS Govs | 1.9.20 | Moderate 6 |
| Poor attendance | Are parents aware of the requirements regarding attendance and does school policy reflect the requirements? | High 9 | - Schools attendance is mandatory again from the beginning of the Autumn term - Reassurances of school's approach to full opening and keeping children safe to be shared in letters prior to beginning of Autumn term - Staff to talk to reluctant or anxious parents - Office staff to follow up on absence as per first day calling procedures - HT to seek advice regarding persistent or frequent absence - Exception to mandatory attendance only pupils who are advised to continue to shield by medical specialists/GP (letter to be viewed by school) or those who have developed Covid-19 symptoms - Where pupils unable to attend school due to clinical or public health advice, absence will not be penalised - Remote learning to be in place for any pupils who cannot access school | LPS | 20.7.20 | Moderate 6 |
| Suspected cases are not followed promptly | Are staff aware of the procedures to follow if a case is suspected? | High 12 | HT to share risk assessment with staff in order to ensure that risks understood and of the control measures to use if needed HT to disseminate information to all staff prior to beginning of Autumn Term for reading Signage in all classrooms and in cabin (isolation room) | LPS | 16.7.20 | Moderate 6 |
| | Are staff aware of | High 12 | - HT to disseminate advice about NHS Test and Trace procedures to all | LPS | 1.9.20 | Moderate 6 |

| | | | | | | |
|--|---|--|---|--|--|--|
| | how to access NHS Test and Trace systems? | | staff - All classrooms to have and display a copy of this advice for easy access | | | |
|--|---|--|---|--|--|--|

Curriculum and Learning Hazards

Identified Hazards:

- There is not an entitlement to educational provision for all pupils in place
- Educational provision for those out of school (eg. for local or national lockdown or if self-isolating or ill) is not in place or adequate
- Pupil well-being is too fragile to allow for quality learning to take place

Links to guidance:

- **Section 2: School Operations**
 - ❖ *Educational visits*
 - ❖ *Wraparound provision and extra-curricular activity*

(Actions for Schools During the Coronavirus Outbreak; Guidance for full school opening 2.7.20, updated 28.3.20)
- **Section 3: Curriculum, behaviour and pastoral support**
 - ❖ *Curriculum expectations*
 - ❖ *Remote education*
 - ❖ *Specific points for foundation stage (EYFS) to Key Stage 3*
 - ❖ *Music, dance and drama in school*
 - ❖ *Physical activity in school*
 - ❖ *Catch-up support*
 - ❖ *Pupil well-being and support*

| Potential Hazard | Key Questions | Hazard Severity and RAG before action | Control measures to reduce the risk | By whom | By when | RAG after action |
|-----------------------------|-------------------------------------|---------------------------------------|---|--------------|---------|------------------|
| Narrowing of the curriculum | Can educational visits take place? | High 9 | - Full risk assessment to take place as usual for off site visits - Staff to consult health and safety guidance on educational visits when considering viability of venues | LPS Teachers | 1.9.20 | Moderate 2 |
| | Will all pupils study all subjects? | Moderate 6 | - Staff will teach a full range of subjects from the EYFS and National Curricula | LPS Teachers | 1.9.20 | Low 2 |

| | | | | | | |
|---|--|------------|--|--------------|---------|------------|
| | Will PE and Sport be taught as usual? | High 9 | <ul style="list-style-type: none"> - For Term 1 pupils will not take part in swimming lessons or sessions at Dover Gym Club (this will be revisited for Term 2 in light of local and national guidance but the school will remain cautious about a resumption in service) - Dancextreme coaching to take place in school with smaller groups of pupils in Key Stage One (Autumn Terms); revisit beyond Term 3 for wider coaching - Class teachers to teach PE to class groups/bubbles - All equipment used must be thoroughly cleaned after use or marked and quarantined for 72 hours - Staff will not teach contact sports in lessons - Outdoor lessons will take priority over indoor lessons | LPS Teachers | 1.9.20 | Low 2 |
| Gaps in pupil learning or understanding | How will staff address gaps in learning/ understanding, particularly for the more disadvantaged? | Moderate 6 | <ul style="list-style-type: none"> - Staff will assess and identify gaps in learning during September for whole cohorts and then plan with colleagues to address these first following transition - TAs to provide intervention for basic skills in reading, writing and mathematics for groups of pupils or individuals under the direction of the class teacher - PT intervention teacher to focus on Year 5 and 6 to address any gaps in core curriculum - HT to investigate government's catch up funding for tutoring and whether this can be used to pay school staff (all qualified teachers regardless of job role) to tutor pupils rather than an outside agency on the premise that class teachers know their pupils and their learning needs best - For most disadvantaged access the government's National Tutoring programme in addition to school provision - Arrange for regular and frequent after school catch up tutoring for groups/individuals for the Autumn Term | LPS Teachers | 1.9.20 | Low 2 |
| Local or national lockdown | How will pupils be taught if we go into further school closures? | High 9 | <ul style="list-style-type: none"> - School has signed up for the DfE's school to school Ed Tech Demonstrator programme to find out how best to address online face to face teaching - Staff will offer online learning following guidance received - Staff meetings in Autumn term to set up remote learning training for teachers (staff development day 2.10.20) - PPA to be used to set up remote learning activities for use if further school closures | LPS Teachers | 5.10.20 | Moderate 6 |
| | What will happen for pupils who are unable to access online learning? | Moderate 6 | <ul style="list-style-type: none"> - Home learning packs will be prepared in case these are needed in addition to online learning or for those pupils who cannot access online learning - Questionnaire parents to ascertain scale of difficulties regarding IT access in the home - School to apply for government funded IT hardware | LPS Teachers | 1.9.20 | Low 2 |

| | | | | | | |
|--------------------------------|---|------------|---|--------------|--------|------------|
| | | | - School laptops to be untethered from the network to allow these to be loaned to children for online learning purposes | | | |
| | Will critical worker's children and vulnerable children be able to attend? | Low 3 | - Resumption of provision for critical worker children and vulnerable children with staff rota to accommodate this | | | Low 3 |
| Pupils unable to access school | How will pupils with medical needs, or those who are self isolating, who are unable to attend school to be taught? | Moderate 6 | - School staff to work alongside parents to determine the best method of teaching for the child at home - Mixture of methods of remote online learning, home learning pack and Purple Mash activities to be considered - IT hardware to be made available – either government funded laptops or school laptops - For those with longer term complex or serious health needs, refer to the East Kent Health Needs Education Service for tutoring support (could be exiting class teacher under local contract agreement with the school and EKHNES) | LPS Teachers | 1.9.20 | Low 2 |
| Contact virus spread | Will work be completed in books as usual? | Moderate 6 | - All plastic covers will be removed from books - Work will be completed in books as usual - Pupils will have a named box for their belongings to be collected in, including books | Teachers TAs | 1.9.20 | Low 2 |
| | Will staff be expected to mark work in the usual way? | Moderate 6 | - Work will be marked and feedback given as usual - Staff will, as much as possible, mark in the moment to avoid collecting large piles of books in - Staff will mark side by side with pupils, avoiding face to face contact | Teachers TAs | 1.9.20 | Low 2 |
| | Will reading/text books be used in the usual way? | Moderate 6 | - Staff should use texts/teaching resources via the IWB as much as possible rather than books - Books should be used on a rota system and quarantined (particularly if sent home as home readers) for 48 hours | Teachers TAs | 1.9.20 | Low 2 |
| Inappropriate Behaviour | Has the school put in place any behaviour policies and procedures linked to school reopening organisation, health and hygiene, etc? | High 9 | - Teaching staff to agree what rules will be communicated with pupils when school reopens - Teachers to organise work around the new rules for school in the first week of return - Individual support to be given to pupils who exhibit challenging, unsafe or oppositional behaviour - Where pupils persistently or deliberately lack compliance with the policies and procedures an individual risk assessment and behaviour plan will be drawn up in the first instance | Teachers TAs | 1.9.20 | Moderate 6 |
| | What happens if a pupil becomes too challenging/difficult to manage safely | High 9 | - Individual risk assessment to be completed to outline the risks and strategies to mitigate against these within the classroom bubble - Where, despite best endeavours, we cannot ensure safety of a child or their peers, parents will be asked for permission to refer to suitable | Teachers TAs | 1.9.20 | Moderate 6 |

| | | | | | | |
|--|---|--|--|--|--|--|
| | in school for themselves or other pupils/staff? | | outside support agencies as per the school's behaviour and discipline policy | | | |
