

Reception -Top 20 things to do before reading

This is a really useful guide to support your child in their first steps to becoming a reader. I have left a PDF link to this on your Seesaw account.

Year1 -Reading at home

Due to the current climate we will not be sending home reading books.

Reading is a great way to spend time together. It really benefits your child, if they read with you at least three times a week. Children who read often at home achieve better in school. It helps to develop their imagination and develop empathy. Reading also improves their vocabulary and language skills and teaches children about the world around them.

Don't forget to look at our website. Go to the class page and we will be posting pictures of our learning at school very soon.

www.langdonprimaryschool.co.uk

Mathematics

This term, in mental maths we will be working on:

- Number recognition
- Counting in 1s
- Ordering numbers

During Numeracy lessons we will be learning:

- To count from 1-20, place them in order and say which number is 1 more or one less
- To recognise, create and describe pattern

PE

This term we will be having P.E. on Monday afternoons.

P.E Kit

Children must have black shorts, green Langdon logo PE t-shirts and plimsolls or trainers.

WATER BOTTLES

Please make sure your child has a *named* water bottle in school every day.

The children often have their bottles with them as they work so please could the bottle have a sports lid to avoid spillages!

Remember, water only, no squash or flavoured water please.
