

## Literacy

Our class will be learning and retelling the warning story 'Lost in the Colosseum'.

We will be looking at the important features of warning stories.

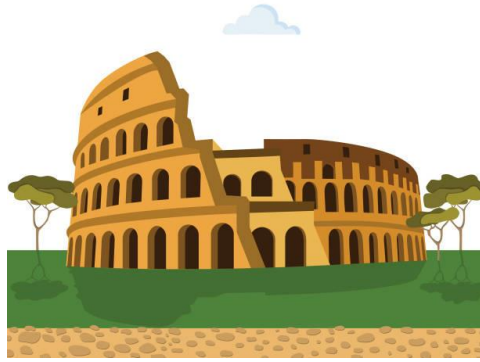

Our focus is on using fronted adverbials, inverted commas and building suspense in our writing through showing, not telling.

We will be creating a shared piece of writing, with our new warning story being set in the Roman era.

The children will then be creating their own warning story.

# Romans

## Term 4

## Art and Design

Activities we will be doing this term:

- Exploring, designing and printing Roman mosaics
- Designing and building a Roman chariot

## Geography

We will be naming and locating Roman towns/cities in the UK and consider why they were chosen as settlement sites.

We will also be describing key aspects of human geography including types of settlement and land use.

## History

We will be learning about the Roman way of life, Boudicca's rebellion and the many aspects of modern life that can be traced back to the Romans in some way.

Here are some of the areas we will be focusing on:

- Researching Roman gladiators and how they provided entertainment for the Romans
- Understanding some of the benefits the Romans brought after they invaded Britain
- Understanding the reasons why Boudicca led an uprising against the Romans
- Participate in discussions, presentations, performances, role play, improvisations and debates linked to Boudicca's rebellion
- Explore the Roman legacy that affected our language, cities, rule of law, Roman numerals and the calendar we use today

## Maths

This term, we will continue learning Roman numerals.
