

## Literacy

Our class will be learning and retelling a recount about a natural disaster.

We will be looking at the important features of a recount and learning how to use:

- fronted adverbials
- time connectives
- emotive language
- 'showing not telling' technique
- first person and past tense

We will create a shared diary entry to build confidence with writing them.

The children will then be writing a diary entry from the perspective of a passenger on board Titanic.

## Maths

In Maths, we will be focusing on multiplication and division. We will be learning:

- To find equal groups
- To multiply using grid method
- To multiply by 3, 4 and 8
- To multiply by 6, 7 and 9
- To multiply by 10 and 100
- To divide using a number line
- To divide with remainders
- To use inverse operations to check answers
- To estimate answers

**At the end of year 4, children should know all times tables up to 12 x 12 and they will be tested on this knowledge.**

## Science

This term in Science, we will be continuing our learning about forces and magnets. We will be learning:

- To notice that some forces need contact between two objects.
- To compare how things move on different surfaces.
- To compare and group materials according to whether they are magnetic.
- To investigate the strength of magnets.
- To explore magnetic poles.
- To observe how magnets attract some materials.
