SCHEDULE OF CHARGES

This describes information about the charges that are relevant to the request and how the charges have been arrived at.

Prior to information being issued, where a cost is incurred, the school will inform the applicant that there is a fee and what the total of that fee will be by issuing a Fees Notice in writing. The period for compliance with the request will commence from the date that this notice is issued. The school will ensure that there is no delay in the notice being issued to the applicant.

If the school does not receive payment within three months of issuing a fees notice, then it is no longer obliged to respond to the request for information.

Where payment is received by cheque the date of the cheque clearance will be used as the fee received date. The school will not delay payment of cheques into the school's bank account in order to create a delay in information request response times.
