

Term 2 Welcome back November 2024

Please take a look at the Knowledge Organiser, this is what your children will be learning about this term. I have added some home learning challenges for you to complete. Don't forget to send us a photograph or video on Seesaw when you have completed them. This term we will be showcasing our Nativity production and it will be held at the village hall on Wednesday, 13th December doors open at 1.00 p.m. and we start at 1.30.p.m. We will provide the costumes, so all we ask is for you and the family to come and watch.

English/ Communication & Language/ Literacy

This term we will be working on a story called 'The Foggy, Foggy Forest' using actions and a story map to help us. The children will learn the story, as a class we will innovate the story and finally the children will invent a story of their own using the same story structure. Year 1 children, will write a similar 5 sentence story.

We will also learn to

- ◆ Write a list
- ◆ Write a letter

Walk On Wednesday

Please help us to win the box of chocolates at the end of term. To increase our chances to win, we need to walk to school from either the village pond or the park.

Don't forget to wear a hi-vis.

Term Dates:

19.11.24 -Staff development day

25.11.24- Class assembly in the school hall. This is a chance to celebrate your child's learning. Please come along to watch, the gates will open at 2.45 p.m.

11.12.24 -Learning and Progress meeting

13.12.24- The Nativity at the village hall, doors open at 1.00 p.m.

19.12.24 -Whole school Christmas dinner and class parties

20.12.24- Last day of term, 3.15 pm finish

Mathematics

In Reception we aim to teach so that children have a deep understanding of numbers up to 10. We will be learning to:

Count objects, actions and sounds to 10

Count to 10

Link the number symbol (numeral) with its cardinal value number

Understand the 'one more, one less than' relationship between consecutive numbers

Explore the composition of numbers to 5

Learn about properties of 2D shapes

In Year 1 we will continue our journey with numbers up to 10 and beyond. We will also be learning to:

Automatically recall number bonds of 10

Count beyond 10

Add a single digit number to a two digit number

Find the difference between 2 numbers

Understanding the World/Science

We will be:

- ◆ Exploring and making observations of the natural world.
- ◆ Discussing similarities and differences in the natural world.
- ◆ Understanding important process and changes, including seasons and changing states of matter.
